[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

See Item 1. (Summary of Policy ... for the Upcoming Year) for pertinent details.

### **1. Summary of Policy or Program Changes for the Upcoming Year**

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

During the Agency Plans' year that begins on April 1, 2001, the PHA will implement for the first time the Community Services requirements on applicable unemployed adult residents, continue its 5 year Capital Improvements Plans by commencing the installation of central air conditioning in units at the Belmont site (of Project KY 75-02) and making improvements on the worse parking and sidewalk areas in KY 75-02, and by implementing in its ACOPP those changes required by the Final Rule on Occupancy (of March 29, 2000.) Changes to the ACOPP include deletion of the former Federal Preferences definitions and addition of the definition of an "Extremely Low-Income Family". Other changes include clarification of: a.) the tenant selection procedures (since "date and time of application" is the prevailing criteria now and has been since the first Agency plans year) and b.) the "re-exam" process for those residents that chose "flat rents", plus addition of the requirement that, for tenant requested (convenience) transfers, the resident must have lived in his/her unit for at least one year prior to the move. Lastly, the requirements of the Final Deconcentration Rule (of December 22, 2000) were added but the implementation of these provisions delayed until April 1, 2002 (our next following Agency Plans year.) In the first Agency Plans' year we established our initial five capital improvement plans and made most of the changes to the Admissions and Continued Occupancy Policy/Procedures (ACOPP) required by the (then) HUD imposed occupancy rules. Further, we (the Housing Authority of Dawson Springs) also voluntarily implemented a pet policy for all units during the first year.

Other: (list below)

### **B. Statement of Consistency with the Consolidated Plan**

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: (provide name here) Commonwealth of Kentucky (KY Housing Corporation) State Plan

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives contained in the Consolidated Plan. (list such initiatives below)

Other: (list below)

The Housing Authority of Dawson Springs Agency Plans are consistent with the State Consolidated Plan in that the ACOPP gives: priority to selection of extremely low-income applicants (i.e., those whose incomes do not exceed 30% of the Median Family Income [MFI] for Hopkins County), grants applicants/occupants a 15% deduction from gross wages/salaries in determining their Income-Based Rents and grants all the option of selecting their rent amount from either those computed on the basis of Income-Based Rents or Flat Rents (which are set at rates comparable to local private market rentals). Additionally, the Capital Funds Program is used to cover the costs of operational services and property upgrades and improvements. In the subject Agency Plans year, central air conditioning will be provided, for the first time, to several of the apartments at Belmont (part of Project KY 75-02.) All of these items provide opportunities and benefits to the eligible (i.e., from zero income to 80% of the MFI) applicants and residents.

3. PHA Requests for support from the Consolidated Plan Agency

Yes  No: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State Consolidated Plan sets forth the following, with which the HADS's activities are consistent: "Expand the supply of safe, decent, sanitary and affordable housing for very-low and low-income families through ...rehabilitation...."

## **C. Criteria for Substantial Deviation and Significant Amendments**

### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

### **A. Substantial Deviation from the 5-year Plan:**

The Housing Authority of Dawson Springs (HADS ) has chosen the following as its definition of Substantial Deviation from its Annual Plan:

- a.) Redirection of more than 20% of its operating budget funds from any budgeted/scheduled activity to another activity or:
- b.) A major change in program direction (e.g., new or different housing selection preference criterion, new or changes to deductions from income-based rents, additional efforts to enhance deconcentration opportunities, changes in the basis of determining Ceiling/Flat rent amounts, etc.) that requires action on the part of the Board of Commissioners; or
- c.) Increasing or decreasing the total number of HADS employees by more than 25% from that authorized on the April 1st of each fiscal year.

However, NONE of these changes will be considered a Substantial Deviation IF those changes result from Government (i.e., Federal, State, or Local) actions over which the HADS exercises no control.

**B. Significant Amendment or Modification to the Annual Plan:**

The HADS has chosen to use the HUD definition of Significant Amendment or Modification. Specifically, it will consider the following to be such modifications/amendments:

- a.) Changes to rent or admission policies or organization of its waiting list.
- b.) Additions of non-emergency work items (not included in the current Annual Statement or 5-Year Action Plan) or change in use of the replacement reserve funds under the Capital Grant Funds Program.
- c.) Additions of new activities not included in the current PHDEP; and
- d.) Any change with regard to demolition or disposition, designation of projects/buildings (for the elderly/disabled or families with disabilities), homeownership programs or conversion activities.

However, NONE of these changes will be considered Substantial Amendments/Modifications IF those changes result from Government (i.e., Federal, State, of Local) actions over which the HADS exercises no control.
