Required Attachment F: Comments of Resident Advisory Board or Boards & Explanation of PHA Response

Comments of Advisory Board:

Resident Advisory Board felt that more funds were needed for capital improvements in order to complete all the needed improvements in a shorter period of time. LA 26-1, especially Park Village, needs a complete modernization to the interiors and exteriors. Sidewalks are dangerous and need to be replaced. LA 26-2, Herpin Street Site, needs to be completely modernized.

PHA Response:

HUD, through a formula, allocates the funds to the Housing Authority. The Housing Authority, because of its size, does not get as much money as the large housing authorities. The PHA has no control over the allocation of funds. The amount is determined by HUD.

The PHA is including LA 26-1 and LA 26-2 in its five-year capital improvement fund program. The PHA is including LA 26-1 in the Kaplan Housing Authority's five-year capital fund program after modernization of all of the units at Herpin Street Site have been completely modernized. The Board agreed that Herpin Street needs to be completed first.
