ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The primary objective of the Vermilion Parish Office of Community Services, Section 8 Rental Subsidy Program is to provide assistance to low-income families by providing decent housing and a suitable living environment, while providing avenues for self sufficiency and a betterment of life.

Goals and objectives as outlined in the Plan will be implemented and accomplished through continual program monitoring and evaluation. Application for expansion of the voucher program will be addressed when funding is made available, in an effort to reach more families. Through an enhanced public relations campaign, more property owners will be sought out in areas of higher economic status, allowing for de-concentration of the lower income households in to the higher income household areas, thus opening up new avenues for children of lower income household families as well. Promotion of self sufficiency of families through collaboration efforts with local service agencies in providing necessary educational topic workshops, newsletters, flyers, etc.

Efforts to compile a Resident Advisory Board were implemented. Memos were sent to each family participating in the program outlining the roles and responsibilities of the Advisory Board, as well as requesting nominations and/or volunteers for such. All attempts to obtain the Advisory Board failed, due to lack of response and/or desire to participate. Goals and Objectives for the Plan were derived from information gathered from the State Consolidate Plan; Census Bureau; Vermilion Parish Community Assessment and the PHA Administrative Plan.
