5-YEAR PLAN
PHA FISCAL YEARS 2000 - 2004

[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)

The Board of Commissioners of the Holyoke Housing Authority has adopted the following as its Mission Statement:

1. To ensure the delivery and availability of decent, safe, and sanitary affordable housing as defined in compliance with all applicable federal, state and local statutes and regulations.
2. The Holyoke Housing Authority is committed to ensuring that each employee of the Authority is provided with the necessary training and supervision to accomplish their assigned responsibilities and to promote the mission of the Holyoke Housing Authority.
3. The Holyoke Housing Authority is committed to using established and innovative financial and human resources to ensure that each Holyoke Housing Authority resident and housing community has the opportunity to achieve its maximum potential.
4. The Holyoke Housing Authority is committed to ensuring the valuable recognition of the role and importance of the public housing communities within the city of Holyoke. The authority is committed to promoting the integration of public housing within the larger community.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

Goal One: The Holyoke Housing Authority will continue to manage its existing public housing program and tenant-based housing program in an efficient and effective manner thereby maintaining a high-performer status under PHAS and to obtain at least a standard rating under SEMAP.

Objectives:

1. The Holyoke Housing Authority shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.
2. The Holyoke Housing Authority shall have effective, fully functioning resident organizations in every public housing development and for the tenant-based program by December 31, 2002. The Holyoke Housing Authority shall assist its resident organizations in strengthening their organizations and helping them develop their own mission statement, goals, and objectives by December 31, 2001.

Progress Statement: The HHA has stressed the importance of maintaining an educated informed staff. Staff have been participating in trainings to provide them with current information on all program changes. The Resident Services Department has become a referral resource for both the Leased Housing and Admissions and Occupancy Departments. This small change has proven to be extremely helpful in assisting residents with the application and re-certification process. Currently all but one Federal Development, Toepfert Apartments, has a resident organization in place. Meetings have been held with the residents of Toepfert but thus far no one has stepped forward to lead. The Resident Services Department continues to work with these residents.

Goal Two:

The Holyoke Housing Authority will work to provide all households and individuals residing in public housing with the opportunity to access the services needed to improve their quality of life and to increase their economic situation.

Objectives:

1. All Holyoke Housing Authority residents will get off TANF in their allotted time period without a penalty.
2. Improve economic opportunity (self-sufficiency) for the families and individuals who reside in our housing by working with its partners, to ensure that 10% of its TANF residents are working or engaged in job training by December 31, 2001.

Progress Statement: The newly staffed Resident Services Department has been identifying and outreaching to all Public Housing and Section 8 tenants who are in need of services to help them become employed. FSS Program brochures have been developed and distributed throughout the community. The FSS Program Coordinating Committee has been re-convened and are meeting on a monthly basis.

Goal Three:

The Holyoke Housing Authority will work to expand the range and quality of housing choices available to participants in the Holyoke Housing Authority's tenant-based assistance program and public housing program. This goal will be reached, in part, by promoting the homeownership opportunities made available through the HOPE VI program.

Objectives:

1. The Holyoke Housing Authority shall establish a program to help people use its tenant-based program to become homeowners by December 31, 2004.
2. The Holyoke Housing Authority shall build 50 homeownership units by December 31, 2004.
3. The Holyoke Housing Authority shall assist 15 families move from renting to homeownership by December 31, 2004.
4. The Holyoke Housing Authority, utilizing the HUD sponsored ROC program, shall reduce the concentration of its voucher holders by having 10% of them living in other than low-income areas by December 31, 2004.

Progress Statement: The HHA is hoping to establish a program to allow its tenant based program participants to become homeowners utilizing the Section 8 program before the 2004 target date. Staff is in the process of reviewing 24 CFR Parts 5, 903 and 982, which will become Final Rule on October 12, 2000.

Goal Four:

Provide a safe and secure environment in the Holyoke Housing Authority's public housing developments.

Objectives:

1. The Holyoke Housing Authority shall expand the memorandum of understanding, which currently is in place under the 1998 PHDEP, with the Holyoke Police Department. The purpose of this refinement is to include HHA elderly housing developments in the agency sponsored Community Policing program. The HHA will work with the HPD to extend to our elderly residents the same coverage that is currently offered at family developments. This is to include: community police substations, visible officer presence, and crime prevention training.

Progress Statement: A Community Police Sub-station is now in operation at P.A. Coughlin Apartments. The Officer on duty also covers Falcetti Towers during nightly rounds. The officer covering Toepfert Apartments also patrols Rosary Towers. The Authority continues to work with the Holyoke Police Department to develop a way to provide coverage at Zielinski and Beaudry-Boucher Apartments.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)
Through HOPE VI Phase I, the HHA will create 50 rental units and 60 homeownership units of affordable housing.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)
Through the Authority's FSS program residents will be offered the services needed to access opportunities for training, information and other support to enable them to become employed.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)
Through the Authority's FSS program residents will be offered the services needed to access opportunities for training, information and other support to enable them to become employed.

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)
Through Phase I of HOPE VI, the creation of four handicapped accessible rental units as well as four handicapped accessible homeownership units.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations

Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

The Authority's waiting list also reveals a need for affordable housing and the following is the Authority's strategy to address these problems.

1. *The HHA is currently implementing a \$40 million HOPE VI grant which has resulted in the demolition of 219 units of family public housing and will provide 100 rental units and 172 home ownership units at completion (2001). The rental units are two and three bedrooms which the analysis shows the most need for. Also, 50 units of new construction, known as the Ramos Settlement, are also being developed. The Authority has site control for ten units and construction should begin this year. Twenty-five of these units will be targeted for home ownership. We will also apply for other resources from HUD as funds become available. The waiting list analysis shows that 31% of Public Housing and 11 % of Section 8 applicants have incomes between 50% and 80% of the median. The Authority will identify and offer extensive First Time Home Buyers counseling to these families so they are ready to "purchase a home" once construction is completed in the HOPE VI program/Ramos.*
2. *The HOPE VI Program also includes a Community Center which will house a HeadStart run day care facility and programs which will provide education and job training for youth and adults. The Resident Services Department will be counseling all interested residents with the goal of helping them reach economic sufficiency so that the ultimate goal of home ownership is achieved.*
3. *The elderly waiting list has diminished significantly over the past years. The Authority currently has 335 elderly units. As reported in the analysis, 5% of the applicants are elderly. The Authority will continue to complete an allocation plan to designate one or two of our elderly developments "elderly only". This plan will be submitted in FY 2001.*
4. *Because of the HOPE VI Program, our Comprehensive Grant funding will be targeted toward our elderly developments. It is our hope that this will make them more competitive with some of the local elderly highrises. The Authority will begin a progressive marketing campaign to attract Holyoke elders to our elderly developments.*
5. *We are entering our second year of offering Section 8 households the services of a Section 8 Family Self-Sufficiency Services Coordinator. This position has allowed us to expand our counseling efforts to all Section 8 recipients. We have also expanded the Resident Services Department to offer FSS counseling to all subsidized households by hiring a Public Housing Family Self-Sufficiency Services Coordinator, a Jackson Parkway Liaison.*
6. *We will also target those individuals for extensive counseling who may be in a position to be first time home buyers.*

7. *Both the waiting list and consolidated plan demonstrates that the Hispanic population show the greatest need for affordable housing. Our resident services staff who are primarily Hispanic will continue to work closely with this population on economic self sufficiency.*
