NORTH ADAMS HOUSING AUTHORITY
ORGANIZATIONAL CHART

ATTACHMENT D (ma034d01)

ADMISSIONS POLICY FOR DECONCENTRATION

It is North Adams Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The North Adams Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The worksheet for the analysis can be found in **Appendix 1**.

The North Adams Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Implementation of Community Service Program Attachment E (ma034e01)

The written description of our Community Service Program including service requirements is already in our Admissions and Continued Occupancy Policy. We intend to administer the program. All possible participants are scheduled for recertification on September 1, 2001. At least 60 days prior, they will be provided:

- ◆ A description of the program.
- ◆ A list of conditions that may exempt them from this requirement with instructions on how to claim an exemption.
- ◆ A copy of the revised lease for their review.
- ◆ A 34 page booklet describing volunteer opportunities with over 75 local health and human service agencies, educational institutions and civic organizations. The booklet provides contact persons, work descriptions and time commitments for each agency.
