5-YEAR PLAN
PHA FISCAL YEARS 2000 - 2004
[24 CFR Part 903.5]

A. Mission

The Plymouth Housing Authority's mission is to operate, maintain, promote and provide quality, affordable and safe housing to eligible persons in the community with a demonstrated need. To foster and encourage opportunities for independence and self-sufficiency for all of its clients with integrity and respect for the diversity of our community

B. Goals

B.1 The Authority has identified that housing for elders and housing for individuals with a disability remains a specific issue for the Town of Plymouth. The Authority intends to better meet the housing needs of elders and individuals with disabilities through several strategies. These may include:

- *changes to how we market our conventional housing programs,*
- *pursuit of Section 8 resources that will facilitate elders and individuals with a disability being able to remain in their dwelling unit or neighborhoods, or*
- *development of Section 202/811 housing or*
- *acquisition or new construction using project-based Section 8 rental subsidies(per 24 CFR 983) or similar programs.*

The Authority will also review its existing programs, their amenities and place in the local housing market to determine if designation of units for elders or for individuals with disabilities is appropriate.

B.2 The Authority will continue to seek innovative ways to assist its clients in being self-sufficient. This would include promoting living situations that help frail individuals remain in place as long as possible and assisting families access job-training, education and employment opportunities that promote the transition from welfare to work or from marginal employment to a true career path.

B.3 The Authority will continue to take a leading role in the promotion of fair housing goals and objectives. This will include education and outreach programs for program eligible households and landlords in the Section 8 Program, development of strategies to work with developers of multifamily housing developments to increase the number of affordable accessible units, and coordination with the Town on identifying impediments to fair housing in the community.

Specific and Measurable Goals are as follows:

1. **Apply for additional rental vouchers:**

The Plymouth Housing Authority will apply for additional rental vouchers under the Section 8 Program, as funds become available through the Department of Housing & Urban Development.

2. **Continue to strive to meet housing needs, through community partnerships:**

It is the goal of the Plymouth Housing Authority to continue to evaluate the housing needs of its community on an annual basis through its continued involvement with community leaders and planners. The anticipated growth of industry and population within Plymouth is estimated to be at a high level. The Plymouth Housing Authority will seek funding available either through State or Federal programs, which would provide affordable housing assistance or homeownership. The Authority will review and consider any and all housing initiatives, endeavors or partnerships presented by other public and private entities as are presented, to determine if they are appropriate and consistent with the Town of Plymouth's and PHA objectives and goals.

3. **Public Housing and Assisted Housing Administrative Plans**

In the year 2001, the Plymouth Housing Authority will continue to refine and update its Administrative Plan with the intent of adjusting its policies and procedures as the impact of Quality Housing & Work Reform Act (QHWRA) becomes evident on the Authority's programs. The Authority intends to have a specific focus on policies that promote broad range of income, support the transition from welfare to work and that promote homeownership.

4. **Increase voucher payment standards**

In 2001, the PHA increased its voucher payment standard to 110% in order to provide a wider housing choice for participants. The Authority will also be researching its options to obtain permission to enter into HAP agreements at 120% of the payment standard in one or more of the nine census tracts in the community.

5. **Development of voucher homeownership program:**

In 2000, the PHA developed a partnership with the Town's Community Development Office and designed a program whereby Participant's of the PHA's FSS Program can enter a "First time Home Buyer's Program. In 2001, the PHA anticipates that it will be able to offer the Home Ownership Program to its FSS Participants.

6. *Application for public housing site-based waiting lists:*

In accordance with the Consolidated Plan for the Commonwealth of Massachusetts and the latest housing needs statistics for our community, the Plymouth Housing Authority is planning to analyze its options for the submittal of an application to HUD for designation of the following sites.

<i>Northfield Congregate 84 Nick's Rock Road</i>	<i>30 units</i>
<i>High Cliff Apartments 23 Prince Street</i>	<i>82 units</i>

The exact designation strategy is yet to be determined but would be developed with community input and in a manner consistent with the requirements described in PIH Administrative Notice 97-12.

Strategic Goal: *Improve community quality of life and economic vitality*

A. *Provide an improved living environment*

Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:

Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:

Designate developments or buildings for particular resident groups (elderly, persons with disabilities)

The Plymouth Housing Authority will continue to monitor and assess its facilities, programs and initiatives to determine the quality & vitality of assisted housing provide by the agency. Through its Capital Planning objectives, the PHA will assess the overall condition of its facilities, the improvements needed, and/or management functions required in order to maintain the quality of life and economic vitality of these facilities. Based on this on-going process, will effectively develop selection and admissions plans that will be designed to provide for de-concentration of poverty and income-mixing by bringing higher income tenants into

lower income projects and lower income tenants into higher income projects. In doing so, the PHA believes it will maintain the integrity of its developments and programs

B. Promote self-sufficiency and asset development of families and individuals

The PHA will continue to operate its Family Self-sufficiency Program, and broaden its resident service initiatives contingent upon funding availability. The PHA has entered into a MOU with the Town of Plymouth Redevelopment Authority wherein the PRA will offer Housing Counseling Services for PHA clients in the Section 8 Homeownership Program.

The PHA received funding through HUD under the Ross Grant for a Service Coordinator which will allow the PHA to link community services for elderly residents or families with disabilities to provide greater independence and ability to live independently with the community.

C. Ensure Equal Opportunity in Housing

The PHA will continue to certify and adhere to all applicable requirements under its public or tenant-based assisted housing programs to ensure compliance with all applicable nondiscrimination requirements, such as the Fair Housing Act, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1937, and Title II of the Americans with Disability Act. The PHA will continue to use the Section 8 Program as a means to promote and educate landlords and tenants of their rights and obligations under these laws.
