## **ii. Executive Summary**

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Annual Plan for fiscal year ending 2001, includes three primary components: 1) The Section 8 Voucher Homeownership Program, 2) Capital Improvement Needs, and 3) The request for financial support from state and county government to provide mortgage financing and provide Community Block Grant Funds for street lights and sidewalk improvements.

The residents and the Resident Advisory Board overwhelmingly support the implementation of the Section 8 Voucher Homeownership Program. Currently, there are six families with annual household incomes above \$30,000.00. The families expressed interest in participating in a purchase program. All have taken steps to demonstrate their readiness to purchase. Examples of steps taken are: 1) establish bank accounts, 2) establish employment histories in excess of two years, and 3) request copies of credit reports.

GHA will continue to make capital improvements already identified in prior years CIAP grants. GHA will expend the remaining funds of CIAP Programs MD39P011913-97, MD39P0911914-98, and MD39P0911915-99 by March 31, 2001. The progress reports of these programs are included as part of the Annual Statement/Performance and Evaluation Report of this plan.

The Resident Advisory Board requested additional streetlights at Hawkins Manor I and II. GHA is requesting the City of Glenarden to apply to Prince George's County for Community Development Block Grant Funds for the installation and repair of sidewalks and additional streetlights. The sidewalks are the property of the City and are in need of repair. Many have deteriorated and many present trip hazards. The lack of sufficient public lighting presents safety and security problems. The sixteen elderly housing units are located directly across the street from a heavy wooded area. There are no lights on the near-by corner. The topography of the Hawkins Manor site presents several security and safety challenges. Fulton Street between McCain and Reed Streets rest a foot of Glenarden Parkway and across from the wooded area. Fulton Street is extremely dark at night.

The Board of Commissioners and the CEO are working to establish partnerships with the Prince George's County Department of Housing and Community Development, the Housing Initiative Partnership (HIP), and the United Communities Against Poverty (UCAP) to undertake the activities contained in the Updated Annual Plan.
