ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Maryland Department of Housing and Community Development (DHCD) operates the Section 8 Housing Choice Voucher Program on behalf of some of Maryland's rural jurisdictions. These include the Cities of Cambridge, Cumberland, Fruitland, Delmar, Berlin, Pocomoke City and Snow Hill as well as all or parts of the Counties of Allegany, Caroline, Frederick, Garrett, Kent, Talbot, Somerset and Worcester. Maryland DHCD has the overall responsibility for the financial and administrative activities of the Program while the day to day administration is the responsibility of the local jurisdictions. DHCD provides staffing for some localities and contracts with the local jurisdiction to provide the services in others. DHCD allows local jurisdictions to have reasonable flexibility in program policies, procedures and supportive services to best meet local needs.

A new initiative for this FY 2001 Annual Plan is to provide the opportunity for a Homeownership program for Housing Choice Voucher participants in several local jurisdictions. Please see Section 11.B. and Attachment 14 for more information.

19. Definition of “Substantial Deviation” and “Significant Amendment or Modification”

[24 CFR Part 903.7 (r) (2)]

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans requires that the PHA must define the terms “substantial deviation” of Annual Plans from the 5-Year Plan and “significant amendment or modification” of the Annual Plan. Notice PIH 99-51 states that PHAs must define the basic criteria for such definitions in an Annual Plan that has met full public process and Resident Advisory Board review.

The following actions will be considered as a “significant amendment or modification” in accordance with HUD Agency Plan guidelines:

Changes to rent or admissions policies or organization of the waiting list;

Any change with regard to homeownership programs or conversions actions.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the 5-Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

Section 8 Homeownership Capacity Statement

The Maryland Department of Housing and Community Development will provide the opportunity for residents to use Section 8 Housing Choice Vouchers for homeownership during FY 2001 in local subcontracting jurisdictions which have prepared a local homeownership implementation plan and demonstrated the capacity to undertake such a program.

Garrett County and the City of Cumberland are two jurisdictions which intend to implement Section 8 Homeownership as soon as possible. These jurisdictions have prepared implementation plans which specify that the financing for purchase of a home under the Section 8 Homeownership program must be FHA insured or, if not, require that the lender comply with generally accepted mortgage underwriting standards consistent with those of HUD/FHA, GNMA, Fannie Mae, Freddie Mac, Maryland Mortgage Program, USDA Rural Housing Services, Federal Home Loan Bank, or other private lending institution. Further guidelines and requirements for participation in the programs can be found in the local implementation plans.

Other local subcontracting jurisdictions using similar financing capacity and program guidelines may choose to implement the homeownership option during the coming year.
