Statement of Progress in Meeting 5-Year Goals and Objectives

The following is an update on the four goals and objectives outlined in the 2000 Lincoln Park Agency Plan:

Goal One: Improve and sustain PHAS score: The Lincoln Park Housing Commission has improved rent collections in fiscal year 2000 and has implemented modernization programs which improve the physical condition of the Lincoln Park Tower and scattered sites. The last REAC physical evaluation resulted in an average physical score of 80%.

Goal Two: Provide safe and Secure Environment: The Lincoln Park Housing Commission has increased resident screening for admissions and is working with the existing residents on building security issues. Recent RAB meetings have reflected an increased sense of security in the Lincoln Park Tower. The Housing Commission is also working closely with the local Police Department on security issues.

Goal Three: Improved administration of Section 8 Program: The Lincoln Park Housing Commission has increased Section 8 utilization, reduced inspection time and has achieved a standard performer under the SEMAP program. The outreach program to attract new Section 8 landlords has begun and at least 10 new landlord will be participating by April 1, 2001.

Goal Four: Delivery of Maintenance Services: The Lincoln Park Housing Commission has reduced the length of time to address emergency and routine work orders. Emergency work orders are serviced in less than four hours and routine work orders are serviced in less than three days. The 2001 Operating Fund will be utilized to improve the Lincoln Park Tower curb appeal and landscaping.

CONTINUED OCCUPANCY AND COMMUNITY SERVICE

GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

EXEMPTIONS

The following adult family members of resident families are exempt from this requirement.

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity.
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.

NOTIFICATION OF THE REQUIREMENT

Management shall identify all adult family members who are apparently not exempt from the community service requirement.

Management shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. Management shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after January 1, 2001. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. Management will also advise families that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Management will coordinate with social service agencies, local schools, and local Human Resources Agencies in identifying a list of volunteer community service positions.

Together with the resident advisory council, Management may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

THE PROCESS

At the first annual reexamination on or after January 1, 2001, and each annual reexamination thereafter, Management will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a community representative who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The community representative will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Sixty (60) days, but no later than Thirty (30) days before the family's next lease re-certification date, Management will advise each applicable adult family member whether they are in compliance with the community service requirement.
- F. Violation of the service requirement is grounds for non-renewal of the lease at the end of the 12 month lease term, but not for termination of tenancy during the course of the 12 month lease (24 CFR 960.603).

NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

Management will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated unless:
 - 1. The resident and any other noncompliant resident, enter into a written agreement with management, in the form and manner required by management to cure such noncompliance by completing the additional hours required over the 12 month term of the new lease, and
 - 2. All other members of the family who are subject to the service requirement are currently complying with the service requirement or are no longer residing in the unit.

OPPORTUNITY FOR CURE

Management will offer the family member(s) the opportunity to enter into an agreement prior to the re-certification of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Management shall take action to terminate the lease.

PROHIBITION AGAINST REPLACEMENT OF COMMUNITY EMPLOYEES

In implementing the service requirement, the Management may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by community employees, or replace a job at any location where residents perform activities to satisfy the community service requirement.

REMOVAL OF PETS

Management or the Housing Commission, shall require the removal of any pet from a community if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the community, employees of the community or of other persons in the community.

In the event of a resident's death or incapacity (i.e. hospital stay, confinement to a nursing home, etc.), the pet must be removed from the apartment within twenty-four (24) hours. If it becomes necessary for Management to remove the pet from the premises, it will be accomplished by contacting the appropriate person/agency in the order listed below. A reasonable attempt will be made to make contact at each level. However, in those cases when the safety and well being of the pet, the pet owner, or other residents of the community is jeopardized, the first course of action will be to call the Humane Society or Animal Control officer with jurisdiction over the community.

The order of contact will be as follows:

Pet Owner;

Persons named on guardian statement;

Humane Society or Animal Control.

At no time will Management take control of or take responsibility for the pet.

EXCLUSION FOR ASSISTIVE ANIMALS

Management may not enforce certain requirements of the Pet Policy based on the nature of the assistive animal. The Fair Housing Officer may determine that the pet Security Deposit and fees be waived. However, this does not prohibit Management to enforce state and local laws if they apply.

1. An assistive animal exclusion applies to animals that reside in the community and to those that assist visitors to the community.
2. Management will require residents to qualify for this exclusion by certifying to the following:
 1. The resident or a member of his/her family is disabled;
 2. The animal has been trained to assist persons with that specific disability; and
 3. The animal actually assists the disabled individual.

I have read this policy and agree to comply.
