A. Substantial Deviation from the 5-year Plan:

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the Housing Commission that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

B. Significant Amendment or Modification to the Annual Plan:

The New Haven Housing Commission will on a periodic basis amend the Agency Plan as a result of changing needs and goals of the agency. The final Agency Plan rule permits the New Haven Housing Commission to define what constitutes a substantial deviation and/or significant amendment or modification to the Agency Plan. Should a substantial deviation and/or significant amendment occur, the new Haven Housing Commission shall re-convene the Resident Advisory Board and publish for comment the amendments and in addition conduct a public hearing on the proposed amendments. The amendment-modification definition is provided above.

During the past twelve months the New Haven Housing Commission has improved management functions which have resulted in expenditures of modernization funds and improved rent collections. In addition, management improvements have been instituted to improve the physical, management and financial PHAS score assuring a standard performer status. The Commission has also analyzed the need for security improvements at the Pinewoods apartments and will utilize fiscal year 2000 and 2001 PHDEP funds for site lighting, fencing and building security locks.

The New Haven Housing Commission is also soliciting the assistance of the Macomb County Senior Citizen Center with supportive services for the elderly residents.
