STATEMENT OF PROGRESS, MISSION AND GOALS:

The Waseca Housing and Redevelopment Authority continues to provide quality, affordable to eligible participants in a fiscally responsible manner which is consistent with the Fair Housing Act.

This Authority has complied with federal regulations of resident participation on both the governing board and the advisory board. It is our goal to continue to maintain optimum occupancy and to do so with positive management marketing. Well-served clients promote the best image to others eligible for our public housing facility. Capital improvements will be scheduled with available resources to complete them.

An extraordinary amount of management time has been directed to the new reporting burdens and agency plans. This serves only to duplicate the process that we know how to operate a high performing agency. In a small authority this management time subtracts important time from the very individuals needing to be served by public housing and to reaching others who will benefit from it.
