## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Moberly Housing Authority is a medium sized public housing authority located in Randolph County, Missouri. The Authority operates 250 units of public housing and 46 units of Section 8 FmHA New Construction. These units are located at four sites. The Authority for the last three years has been designated as a high performer according to standards set forth by the Public Housing Management Assessment Program (PHMAP).

The mission of the Housing Authority of the City of Moberly, Missouri is the promotion of adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The Authority will accomplish the mission ideals through the goals and objectives listed here.

1. By proving decent, safe and affordable housing in our community.
2. By ensuring equal opportunity housing for everyone.
3. By improving quality of life in the community and economic vitality.
4. By increasing resident participation through an advisory committee.
5. By providing timely responses to resident requests for maintenance issues.
6. By renovating vacated apartments within 20 days and providing a housing need for the need for the next available applicant.
7. By continuing to enforce the "One Strike" policy for our residents and the applicants.
8. By improving and/or maintaining our financial stability through aggressive rent collection methods and reserve position.

The Moberly Housing Authority has financial resources, which include but are not limited to an operating fund, capital fund, Public Housing Drug Elimination Grant funding, dwelling rental income and non-dwelling rental income and Section 8 subsidy. We propose to operate the agency in the most cost effective means possible and still provide what services and as many activities as possible for the residents.

The Authority in correlation with the Missouri's Consolidated Plan has assessed the housing needs of the City of Moberly, Missouri and determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium sized housing agency. The Authority has an approved Deconcentration Plan and Policy and will utilize various methods to attract and encourage applicants that will qualify for public housing.

The Moberly Housing Authority has updated the Admissions and Continued Occupancy Plan (ACOP), the Dwelling Lease and Grievance Procedure policy to comply with all requirements of the Quality Housing and Work Responsibility Act of 1998 (QHWRA). The Authority has established a minimum rent of \$50.00 for the public housing program. The Authority has elected to set the public housing flat rent at Allendale Manor and Countryview Garden Apartments, Project MO011-001, as the local two-bedroom Fair Market Rent (FMR) and a ceiling rent set as the same. The current flat rent and ceiling rent is \$274.00. The Authority elected to set the public housing flat rent at the Moberly Towers, Project MO011-002, at the rental amount set be Department of Housing and Urban Development for the housing assistance payment standard. The current flat rent and ceiling rent is \$445.00.

The Moberly Housing Authority has conducted a physical needs assessment to determine all modernization and capital expenditure requirements and has developed an Annual and 5-year Action Plan to address these capital improvements.

The Authority has plans to demolish two dwelling units (one duplex) at our Countryview Garden Apartments (MO-011-001) site. The duplex is uninhabitable. We plan to rebuild the duplex in year 5 of our Capital Fund Program when funds become available. The Authority has no plans to dispose of any property. The Authority has worked jointly with local police department to develop safety and crime prevention strategies that adequately meets the needs of all residents.

The Housing Authority of the City of Moberly, Missouri has developed Pet Policies appropriate for each housing project. These policies allow the residents to have a pet if the rules and policy requirements are met.

The Moberly Housing Authority has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the Authority has included a copy of it's most recent fiscal year end audit reports as part of the documentation made available for public review during the 45 days prior to submission of the Housing Authority of the City of Moberly, Missouri's Agency Plan on January 14, 2001.

Because the Moberly Housing Authority is a High-Performer, it was not required to respond to the following Annual Plan components, but has incorporated them into the plan.

- Grievance Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Homeownership

## **PROGRESS IN MEETING OUR MISSION AND GOALS**

### Missions and Goal Statement

The Moberly Housing Authority is meeting its mission by continuing to promote and provide adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. We are doing this by updating our properties through the capital fund and by maintaining those properties through the operating budget as outlined in our five-year and annual plans. We are giving the residents their choice of a flat rent or 30% option and have instituted a ceiling rent. This allows the housing choice and is affordable. We continue to work and partner with other agencies to bring economic opportunities to the residents and have provided Internet access to the residents for job searching and computer programs to build work-related skills and to write resumes. The Housing Authority of the City of Moberly, Missouri continues to provide suitable living environments free from discrimination. There have been no fair housing complaints on the state or federal level to our knowledge. We subscribe to a fair housing newsletter each month and then have staff meetings in order to disperse that information out to the employees. Staff attends as many fair-housing workshops as possible and aware of.

The goals of the Housing Authority of the City of Moberly, Missouri are as follows along with statements to show those goals are being met or the reason why the goal was not obtained:

1. Reduce vacancies in public housing – This goal is being met.
2. Improve PHAS scores – Based on last year's PHAS score, the Housing Authority was a High Performer.
3. Renovate or modernize public housing units – The Authority has followed its five-year and annual plans in regards to physical improvement through the capital-funding program. We have almost completed the inside renovation of every apartment at project MOll-001 and are currently installing central air to better compete with the local market place.
4. Implement public housing security improvements – We have continued to make use of funding for the community policing program, continue to use the One-Strike policy, our local trespass policy, security cameras, CPTED (Crime Prevention Through Environmental Design) with the help of our local law enforcement, and utilize screening tools, especially the criminal history screen.
5. Provide or attract supportive services to improve assistance recipients' employability – As in the past, we work with the WIN Center, a cooperative partnering of the local college, Job Service, Division of Family Services, Vocational Rehab, GAMM and other agencies that provide workshops, direct help to residents and referrals.
6. Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability – The Authority subscribes to a fair-housing newsletter that is delivered monthly and staff meetings are held monthly to convey that information, and staff attends almost every fair-housing meeting that we know of.

## Section 2: PHDEP Plan Goals and Budget

### A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The major components of the plan are prevention, activities as alternatives to drug abuse, counseling referrals, education and job skills training and additional law enforcement. Our proposed law enforcement strategy calls for 2 full time Community Policing officers, and a part time officer at different hours in order that the undesirables will not be able to set a schedule for crime. Activities as alternatives to drugs includes daily on-site activities, such as recreation time, computer lab, home economics classes and many other self-esteem building and self-confidence building classes for youths. Adults have skill building courses, computer lab, job searching, even transportation provided by housing for job interviews and applications on a daily basis. For counseling services we have proposed to work with Randolph County Counseling Services, providing referrals and transportation as needed.
