**REQUIRED ATTACHMENT \_\_\_5\_\_\_ - PROGRESS REPORT FOR 5 YEAR PLAN**

The PHA has made a diligent effort to carry out the 5 year plan. The HA will begin the maintenance schedule in the summer of 2001 with the additional parking spaces coming first. The funds should be left over on the Capital Fund grant for 2000. At the current time, the HA is completing the replacement of all bathrooms in the efficiency and one bedroom elderly units (56 units) and an electrical upgrade for all 94 units in the Loomis development. These above upgrades have been extremely costly to the HA and have taken funds from 2 CIAP years (98 & 99) and most of the funds from Capital Funds 2000. Once on schedule, the HA hopes to progress quickly towards the goal we have set for ourselves. The mission of our HA is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. The HA has a current waiting list of about 250 families waiting on our lists for housing. This is a major accomplishment since 2 years ago, the HA had no waiting list on any of the apartments and nearly 30 vacant apartments. Due to changes in management, that is no longer the case and we can look to a bright future where we could double the amount of housing now available and still fill the units. The HA has a resident council that was not a part of the development before and the HA is getting a great deal of ideas as everyone works together for the benefit of our authority and community. This year, the HA will be building a storage shed at the Valley View (MO21-2) development which will free up the apartment at 22 Oakgrove Road, now being used as storage to be converted back to a much needed rental apartment.
