ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Hannibal Housing Authority is a medium PHMAP Standard-Performer agency located in Marion County, Missouri. The HHA manages 256 units of public housing at five developments.

The mission of the HHA is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The HHA will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.
- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To continue to enforce our "One Strike" policies for residents and applicants.
- H. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The HHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees, which will be used to operate the agency in

the most cost effective means possible and still provide the services and activities for its residents.

The HHA has assessed the housing needs of Hannibal and surrounding Marion County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium agency. The HHA has approved a Deconcentration Policy and will utilize marketing to attract and encourage applicants that can qualify for public housing. The HHA has determined that its housing strategy complies with the state of Missouri's Consolidated Plan

The HHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHwRA requirements. The HHA has established a minimum rent of \$50.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The HHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The HHA has no plans to demolish or dispose of any of its properties. The HHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The HHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The HHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the HHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of HHA's Agency Plan to HUD on April 17,2001.

Because the HHA is a PHMAP Standard-Performer, it was required to respond to the following Annual Plan components.

- Operations and Management
- Grievances Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Homeownership
- Community Service
- Asset Management

Attachment A

Adopted 9TH day of June 1999

Effective: June 9th, 1999

Deconcentration Policy

It is the policy of the Housing Authority of Hannibal (HAH) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the HAH is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the HAH will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the HAH does not concentrate families with higher income levels, it is the goal of the HAH not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The HAH will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the HAH.

To accomplish the deconcentration goals the HAH will take the following actions:

- A. At the beginning of each fiscal year, the HAH will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the HAH's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Because of the need for drug prevention education to eliminate drug problems in public housing we have proposed a strategic plan to educate residents and create alternatives to drugs, as well as, assist public housing families to improve their quality of life by providing the knowledge, guidance and support to them through the activities and programs we have developed in partnership with Hannibal VoTech for computer and ABE/GED classes; YMCA youth sports and youth services; NEMO Task Force and Hannibal Police Dept. for Law Enforcement and Investigation and Resident input from our advisory council. The monitoring and evaluation process for this grant to measure its success is administered by an Advisory Committee made up of Residents Staff and Local Organizations who participate and partner with the housing authority to provide constructive programs and education to reach our public housing families.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Hannibal Housing Authority's (HHA) Definition of Substantial Deviation and Significant Amendment or Modification are as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Hannibal Housing Authority's (HHA) Definition of Substantial Deviation and Significant Amendment or Modification are as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Local preferences were established and will not change, rent policies remain the same, community service policy parameters were included in our lease and ACOP, and will be implemented on 7/1/01, and our family development pet policy has already been implemented.

Attachment F:

Progress in meeting the 5-Year Plan Mission and Goals

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of FY 2000 Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2001 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA will implement a Community Service program beginning July 1, 2001 that has been discussed with residents and each adult member of every household has been notified of their responsibilities and the policy has been Board approved.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2001.

Attachment J: Implementation of Public Housing Resident Community Service Requirement

PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(1) Work Activity Opportunities

The Hannibal Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-

certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

1. Briefly, describe the noncompliance (inadequate number of hours).
2. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

a. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

f. The Hannibal Housing Authority has developed a list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.
