## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan. The following Executive Summary is provided to meet the requirement 24 CFR Part 903.7 9 (r) to include a brief overview of the PHA Annual Plan. The Executive Summary is formatted to include comments on the eighteen component requirements of the Annual Plan as follows:

(1) Housing Needs: The housing needs were obtained from the Consolidated Plan of the City of Joplin, Missouri. The City's Consolidated Plan is based upon the 1990 Census Data and reflects a need for subsidized housing for both family and elderly that exceeds the subsidized housing units available.

(2) Financial Resources: The PHA has operated for twenty-seven years with a volunteer Executive Director. This has allowed the PHA to create a strong operating reserve. The PHA over the next five years will reduce the operating reserve for the following reasons:

- a. The properties owned by the authority are aging.
- b. The PHA anticipates expanding its housing inventory by using PHA Capital Funds and its surplus Section 8 Admin Reserves.

(3) Policies on Eligibility, Selection and Admissions: The PHA has developed and updated their ACOP as part of the Five-Year Plan. The PHA has seen a slight downward trend in its occupancy level and waiting list. The PHA will closely monitor its occupancy and waiting list and will modify the ACOP to take advantage of some of the new discretionary policies to attract new and keep existing tenants if required. Generally speaking, with the exception of the new mandated requirements, the PHA will continue to operate as it has for the past several years.

(4) Rent Determination Policies: The PHA presently utilizes the FMR as its ceiling and flat rent. The PHA is presently evaluating the rents of thirty single family units located in the northeast sector of the city and may in the future adopt flat rents which would be consistent with the rents within the neighborhood. This would result in a substantial reduction in rent and create greater marketability of these properties.

(5) Operations and Management Policies: The PHA has purchased new software and computer hardware which should allow for the improvement of the financial as well as other management functions. The PHA has recently lost several key staff which will effect the PHA's productivity. It is anticipated that several new staff will be phased into the management operation to meet the requirements of the QHWRA.

(6) Grievance Procedures: Grievance Procedures have been reviewed and adopted as part of the Five-Year Plan. No significant changes were required.

(7) Capital Improvement Needs: The PHA has a strong operating and Section 8 Admin Reserve. The PHA anticipates utilizing these reserves to accomplish several of the tasks stated in the Five-Year Plan. It is anticipated that the Capital Fund and the Section 8 Admin Reserves will be available to expand the PHA's housing inventory.

(8) Demolition and Disposition: The PHA does not anticipate the demolition nor disposition of any of its property during the Five-Year Plan.

(9) Designation of Housing: The PHA has had minor difficulty in maintaining sufficient applications for elderly housing. The PHA anticipates the designation of certain properties for elderly and handicapped, but is taking additional time to determine what has caused the slow down in applications by elderly and handicapped persons. The PHA has also recognized that there appears to be non-working, widowed females, between 50 - 62 years of age, who may need PHA housing.

(10) Conversion of Public Housing to Tenant-Based Assistance: The PHA has no plans to convert its Public Housing Units to Tenant-Based Housing Units.

(11) Homeownership Programs Administered by the PHA: The PHA is presently working with the City of Joplin, the local Community Action Agency and three neighborhood houses located in census tracts whose household incomes are 51% low-moderate income. The PHA believes that the Section 8 Homeownership Program can be a valuable tool to provide homeownership opportunities as well as a major component of a neighborhood revitalization strategy. The PHA anticipates the development of a Section 8 Homeownership strategy during the first action year of the Five-Year Plan.

(12) PHA Community Service and Self-Sufficiency Programs: The PHA will provide the opportunity for tenants to meet their work requirements by working for the PHA and/or other Not-for-Profits approved by the PHA. The PHA anticipates providing four (4) Not-for-Profit work opportunities for which the tenants can apply and satisfy the QHWRA work requirement. The PHA will encourage tenants to seek work opportunities from other Not-for-Profits if they so choose.

(13) Safety and Crime Prevention Measures: The PHA has been fortunate in that it has had limited crime and safety occurrences within its properties. The PHA anticipates providing a security force to observe its properties and work with its tenants from 5:00 p.m. to 4:00 a.m. on a daily basis. The PHA utilizes a computerized DETEX system to insure that its security personnel are monitoring its properties on a scheduled basis. The PHA has never received PHDEP funds.

(14) Pet Policy: The PHA has evaluated and rewritten its Pet Policy.

(15) Civil Rights Certifications: Completed

(16) Fiscal Audit: Completed for FYE 03/31/2000.

(17) PHA Asset Management: Exempted

(18) Other Information: Minutes of the Meetings regarding the Five-Year Plan are available at the Main Administrative Office of the PHA.
