iii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Warrensburg Housing Agency (WHA) utilizes funds from the U.S. Department of Housing and Urban Development (HUD) and the State of Missouri's, Missouri Housing Development Commission (MHDC) to assist income and resident eligible families with rent.

HUD funds are used in the form of Section 8 certificates and vouchers. At this time WHA does not have certificates and vouchers for a specific group of applicants (i.e., people with AIDS, welfare-to-work, etc.). WHA uses date and time of the application to determine placement on the waiting list.

MHDC's funds are used in Tenant Based Rental Assistance (TBRA) program. At this time, WHA has selected to allow preferences in the TBRA program. The preferences used are, elderly/disabled and homeless. The TBRA is used to get those families assistance as quickly as possible. Then transferred to the Section 8 program for continued assistance. This makes the TBRA funds available for more families.

When funding comes available for more vouchers the WHA will apply for the funding.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The need for rental assistance in Warrensburg is needed now more because of the welfare-to-work reforms. There are more families attending the university here and the rental prices are rising faster than wages. For the families who are furthering their education rental assistance is a necessity, with rental assistance the families educational grants and loans can go toward education and not rent. Therefore the WHA will continue to work to maintain a high lease-up rate. While it is virtually impossible to maintain a 100 per cent on month-to-month basis, a lease-up rate of 95-98 per cent is an attainable goal. Using the MHDC TBRA program makes this an easier rate to attain and maintain. This also helps the people who needs the help get the rental assistance faster. As HUD makes more vouchers available we will apply for more to help more families with rental assistance. By increasing our payment standard this helps families pay less out of their pocket. It also helps families get into better housing units by adjusting the 40 per cent of their adjusted monthly income verus the family contribution down. The WHA accepts applications only from families who are at or below the very low income level. This way we can help the very needy families.
