C. The term of appointment is (include the date term expires):

2. A. If the PHA governing board does not have at least one member who is directly assisted by the PHA, why not?

- the PHA is located in a State that requires the members of a governing board to be salaried and serve on a full time basis
- the PHA has less than 300 public housing units, has provided reasonable notice to the resident advisory board of the opportunity to serve on the governing board, and has not been notified by any resident of their interest to participate in the Board.
- Other (explain):

B. Date of next term expiration of a governing board member: 06/30/2001

C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position):

Don Magnus, Mayor via approval of City of Mexico City Council

Audrain County Housing Agency is under contract with the Housing Authority of the City of Mexico for the administration and management of the Section 8 program. The County has vested responsibility for Board member appointment with the City of Mexico.

Laws in the State of Missouri were changed in August 2000 to allow for an additional seat on housing authority boards, and to provide special conditions for appointment and termination based on residency and compliance with federal requirements in public housing. The appointment of the Board seat was suspended in June 2000 to provide opportunity to residents to apply in August and September. Notices were provided to residents in the Chilipepper Express, the Section 8 newsletter, and the local paper. No applications were received by the City of Mexico for the open seat.

Required Attachment ___F___: Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

A Resident Advisory Board (RAB) was formed in September 2000 consisting of five members. The MHA requested nominations from the residents in the resident newsletter identifying the represented areas and providing instructions on how to submit nominations. Because of low response, the RAB was appointed directly from the nominations and not via election processes. The RAB met weekly from the end of October to the end of November providing review and comment on the Mexico Housing Authority and Audrain County Housing Agency Annual Agency Plan contents. A description of their comments has been included in this Plan.

Resident Advisory Board Members names are as follows:

Martha Barton – representative for Bolivar and surrounding area
Ella Reese – representative for Garfield and surrounding area
Joyce Cole – representative for MacFarlane/Fieldcrest area
Lisa Bahlman – representative for MO-004 and surrounding area
Joan Aufderheide – representative for Holt and surrounding area

MHA staff representatives to the RAB in an advisory capacity were:

Rhonda Lightfoot – Resident Services Coordinator
Marilyn Crowe – Executive Director

Required Attachment ___G___: Comments of Resident Advisory Board or Boards & Explanation of Audrain County Housing Agency Response:

The following comments were received from the Resident Advisory Board specific to Section 8 program management.

1. Members inquired if the MHA would be replacing the demolished units. Demolished public housing units will not be replaced because of the excessively high vacancy rates for the past 12 years. However, the MHA's Five Year Plan does include the possibility of single family home development using Section 8 subsidy.

2. Members inquired about the requirements of the Section 8 Voucher Home-ownership portion of the Plan, and questioned the differences between Habitat for Humanity, Section 8 and other programs available for homeownership.

The MHA will not be participating in a homeownership program this fiscal year. The Agency is currently investigating the possibility of entering into a partnership with another entity to establish the credentials required by HUD in the management and operation of such a program.

3. Members stated they would like to see more neighborhood activities. This item is to be reviewed by the Resident Services Coordinator when planning future activities

4. The members requested if opportunities could developed for a battered women's shelter.

The MHA is currently working with Audrain County Crisis Intervention Services in assisting abused women with housing services.

5. Members inquired about the development of additional four bedroom units. The MHA has not responded to this question in the Annual Plan, but will investigate the requirements for developing large, family units.

6. Members inquired about the revision to the utility allowance schedule since the rate increases this fall.

The MHA is currently considering the need to revise its utility allowance schedule to address the rate increase. The revised schedule is not anticipated to be approved until February 2001.

No further comments were received as of the date of final publication of the Annual Plan.

STATEMENT OF PROGRESS 5-YEAR PLAN MISSION AND GOALS

PHA Goal No. 1:

Increase availability of housing – The MHA, in partnership with the Audrain County Housing Agency, included in its CFP Annual Statement funding for demolition of 10 dwelling units. The MHA anticipates submission of a Demolition Plan by 3/31/2001. Discussions have been initiated with the City of Mexico about accessing CDBG funding for rehabilitation of Section 8 properties under the new lead paint rules to prevent a loss of current Section 8 eligible rental properties.

PHA Goal No. 2:

Voucher Management – A quality control program was implemented with the City of Mexico for re-inspection of the Section 8 properties. This process gives the City the opportunity to use its CDBG Rehabilitation funding for improvements to properties occupied by Section 8 Voucher recipients and allows for the removal of dilapidated structures, when necessary.

Management Procedures – High turnover of staff have prevented substantial progress in this area, however, initial drafts of procedural requirements have been developed. The Section 8 briefing packet was substantially revised with new forms, updated lead brochures, new grievance policies, and additional fair housing information.

PHA Goal No. 3:

Conduct Landlord Outreach – The MHA developed a Landlord Orientation Package during FYE 3/2001. This package includes information on the HAP agreement, inspections, lead paint, complaints/eviction processes, and lease enforcement.

PHA Goal No. 5:

Establish strong supportive services to improve employability – The MHA has been developing relationships with local service providers over the past year. Currently, the MHA is developing a budgeting class in partnership with a local bank that will be certified for inclusion in the Department of Family Services job readiness program. This activity also supports the community service requirements. The MHA has increased the number of working families from 12% to 24.8% in the past fiscal year.

PHA Goal No. 6

Updating Equal Housing Opportunity Policy – Revised and adopted Equal Housing Opportunity Policy in 2001. A copy of the revised policy was made available for public comment during the Annual Plan public review period.

Undertake Affirmative Measure – Individuals With Handicaps – The MHA revised its Self-Evaluation and Transition Plan to match the state's format for CDBG in this past fiscal year. Although the Plan was made available during the Annual Plan public review process, it has not been reviewed by the various entities who provide services for disabled persons in our community as of the date for publication in the Annual Plan. The MHA will be working to complete the review processes by 3/31/2001.

PHA Goal No. 7:

Employee Safety Program – The MHA changed worker’s compensation providers this year and is working with the new company to develop a viable safety program. Certification is anticipated by 3/31/2001.
