ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

INTRODUCTION

The Southern Pines Housing Authority is a small housing authority located in Moore County, North Carolina. The Southern Pines area is known for its golf resorts and has a very large population of retired persons in upscale developments. For the most part, the lower-income persons of the community are employed in service industry jobs. There is little industry or employment opportunities for upward mobility. The low-income persons of the community are faced with high-cost housing and are dependent on subsidized housing as the only source of affordable housing.

PLANNING PROCESS

On June 28, 2000, the Board of Commissioners held its Annual Planning Retreat. Before beginning the planning process, the Board participated in a review of the Quality Housing and Work Responsibility Act of 1998 (QHWRA) and the 1999 Plan. The Board then reviewed the Agency's current Mission Statement that reads as follows:

To be the focal point for affordable housing by:

1. *Maintaining quality public housing units that are attractive and comfortable as well as decent, safe and sanitary*
2. *Promoting improved quality of community life by encouraging families through education, training, employment and asset development*
3. *Promoting self-sufficiency for movement to private rental or homeownership*
4. *Promoting the cooperation of private entities and governmental agencies to address the affordable housing needs of the community and expand affordable housing opportunities*

The Board agreed to retain the mission statement with no revision.

The Board of Commissioners also considered the changing environment that had been created by the passage of QHWRA. The Board acknowledged that the past twenty-four (24) months have been uncertain and the next eighteen (18) months will continue to bring changes in regulations. As a result of this changing environment, we have opted to continue our operating procedure relatively unchanged except for regulatory requirements. We will develop new policy and implement additional changes as HUD publishes regulations. We will also consider the options open to us and evaluate the best approach for our FYE 2002 Plan.

The Board has evaluated the needs of the agency and the surrounding community. After lengthy discussion of needs, resources and variables, the Board of Commissioners developed and prioritized both short-term and long term goals for the Southern Pines Housing Authority.

FIVE-YEAR GOALS

The long-term (five-year) goals established by the Board are as follows:

- To determine the need for affordable housing in Moore County and pursue the construction or acquisition of that housing, if needed.

- To develop partnerships with other service providers to bring more access to public housing residents
- To continue to develop the partnership between the Southern Pines Housing Authority and the Laurinburg Housing Authority in accordance with the new HUD Regulation for Consortia.
- To continue to seek funds to operate the After-School Tutorial and Drug Prevention Program
- To continue to improve management through:
 - Scoring 90 or more on PHAS
 - Turning all units in less than fifteen (15) workdays
 - Complete all work orders in an average of three (3) workdays
 - Improve curb appeal
 - Continue computerization
- To continue to modernize our units for marketability as funds allow to include:
 - Replacing water supply lines and sewer lines
 - Renovation of Bathrooms
 - Caulking windows and weather stripping doors
 - Landscaping
 - Replacing floor tile
 - Replacing appliances
 - Replace roofing

OPERATIONAL AND POLICY CHANGES

During 1999, the Board and staff developed several new policies as guidance was received through regulations published in the Federal Register.

Policies

By approval of the Plan, the Board of Commissioners is giving final approval to policies, which are part of the Plan by reference. The Admissions and Occupancy Policy was amended in 1999 to include:

- The establishment new local preferences at a response to the De-Concentration Policy
- The establishment of a Resident Advisory Committee
- The amendment of the Grievance Procedure to comply with the One-Strike Drug Policy, the Non-Citizen Rule and the designation of North Carolina as a Due Process State by the Department of Housing and Urban Development
- The establishment of a twelve (12) month lease term

The 2000 Plan establishes a Pet Policy, Community Service Policy and reduces the minimum rent to zero, in response to the Minimum Rent Hardship Policy.

No optional changes have been made in any of the Policies of the Southern Pines Housing Authority at this time. Any such changes will be studied and debated then placed in the Fiscal Year Ending 2002 Plan submission.

The Policies included in the Plan have been available for comment for forty-five (45) days and have been

available for comment at a Public Hearing.

CONTINUING UPDATING AND IMPLEMENTATION OF THE QHWRA

During the next year the Board will be reviewing all policies and updating those that are outdated. Each policy will be reviewed and amended as required by regulations when changes are made in the regulation.

The Plan is a general document designed to outline the operational intent of the Southern Pines Housing Authority with general goals for five (5) years and more specific goals for the next twelve (12) months. The Plan will not be considered **substantially modified** unless the operational intent of the Authority is changed. Changes in policy as a result of regulatory changes or decisions to exercise options and budgetary changes in response to changing circumstances will not be considered substantial and will be addressed by the Board of Commissioners as routine matters.

Unless there is a substantial modification or change in the general five (5) year goals of the Authority, the Plan will not be considered to have a **substantial deviation**.

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Unless there is a substantial modification or change in the general five (5) year goals of the Authority, the Plan will not be considered to have a substantial deviation.
