## **PROGRESS IN MEETING 5-YEAR PLAN MISSION AND GOALS**

Our Capital Fund Program is operating very well. Funds will be obligated within time constraints set forth in the plan. Our needs assessment has been very close to actual operation/implementation projections and we expect to task as projected relative to costs and schedule.

**Operations** – Community service/case management efforts for year one are projected at 100% expenditure by the end of the first year. Subsequent years of cost and program implementation scheduling are on target. Efforts were expanded programmatically by utilizing Americorps\* VISTA.

**Management Improvements** – schedule is adequate for five year forecast.

Fees and costs - projects are on target.

**Dwelling Equipment – Non-expendable** – expenditure process has worked very timely. Program is on schedule. Obligation of funds were delayed slightly but five-year plan is on time.

**Non Dwelling Equipment** – Purchases for first year complete. Five year schedule and costs on schedule.
