**Attachment G:Comments and Response**

During meetings held March 13<sup>th</sup>, 21<sup>st</sup>, and 22<sup>nd</sup>, the following concerns were voiced by the residents:

Closer community services needed, including parenting classes, cooking classes, Mother Learn program, computer classes.

Laundromat needed.

Benches and picnic area in park

Speed bumps needed

Tutoring/after school program and Boys/Girls Club

Community Watch program needed.

Better screen doors and windows

Lower rents needed

FSS Program

Curfew for Children

Air conditioning

The Housing Authority has sought to meet some of the needs voiced by including the children and parenting programs in the PHDEP grant through activities placed in the Take Pride and Go Forth program. In addition, the CFP funds have been modified to include The installation of air conditioning in the units as a longterm project and screen doors and windows. The Housing Authority currently works with IPDC in referring residents to an on-going FSS program located close to the HA's developments. The Housing Authority has included in its annual plan to lower the flat rents based more closely on current market rates as comparable to its units.
