„Substantial Deviation“ and Significant Amendment or Modification“

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans; Final rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency plan. Part 903 Section 7 (r) (2) states that a PHA must identify the basic criteria the PHA will use for determining:

- A. A substantial deviation from its Five-Year Plan; and
- B. A significant amendment or modification to its Five-Year Plan and Annual Plan.

Notice PIH 99-51 states the PHA“s must define the terms „Substantial Deviation“ and „Significant Amendment or Modification“ by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board Review.

HUD considers the following actions to be significant amendments or modifications:

- A. Changes to rent or admissions policies or organization of the waiting list;
- B. Additions of non-emergency work items (items not included in the current annual statement or five year action plan) or change in use of replacement reserve funds under Capital Fund;
- C. Additions of new activities not included in the current PHDEP Plan; and
- D. Any change with regard to demolition or disposition, designation, homeownership program or conversion activities.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

Use this section to provide any additional attachments referenced in the Plans.
