[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Verdigre Housing Authority has prepared this agency plan in compliance with the Quality Housing and Work Responsibility Act of 1998, Section 511.

The Verdigre Housing Authority consists of 17 one and two bedroom apartments. The authority is managed by an Executive Director with maintenance provided by one other person. The staff receives guidance from a five-member Board of commissioners, a Resident Advisory Board, and the Village Board of Trustees..

The plans, statements, budget summary, policies, etc. set forth in the 5-year and Annual Plan all leads toward the accomplishment of our goals and objectives and are consistent with the State Consolidated Plan. Here are a few highlights of our Annual Plan:

- (1) We have adopted local preferences for applicants who are elderly, disabled, or meet the low-income requirement.
- (2) We have adopted an aggressive screening policy to insure to the best of our ability that new admissions will be good neighbors, while being equal opportunity residential and work setting.
- (3) We have established a minimum rent of \$50.00.
- (4) We have established a flat rent for all our units.
- (5) We shall strive to increase tenant awareness of assistance programs.
- (6) We continue to address our unit vacancy problem.

We feel that through the accomplishment of our goals and objectives, we will achieve our mission statement.

B. Statement of Consistency with the Consolidated Plan

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: Verdigre Market Area

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives contained in the Consolidated Plan. (list such initiatives below)
- Other: (list below)

3. PHA Requests for support from the Consolidated Plan Agency

Yes No: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments:

In assessing housing needs, we have considered income, housing tenure, and cost burden. Known problems with housing structure are only available for the County and could not be adjusted to the jurisdiction. The needs assessment does not account for needs of some elderly for more age appropriate housing in cases where needs do not surface through the above criteria.

The number of households in need for affordable housing is low given the large number of households with low-moderate income. This is clearly a result of the availability of affordable housing through the housing authority. It is also a result of the relatively large homeowners market, which is beyond the current analysis.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Resolution #01-2001 defines a Substantial Deviation from the 5-year plan as any change to the plan as requested by a minimum of 2 members of either the Board of Commissioners, the Resident Advisory Board, or the Village Board of Trustees, as these are the three Boards that help make our policy decisions. In the event that such a request should be made, then it would require a majority vote of the Board of Commissioners to act upon the request.

A. Significant Amendment or Modification to the Annual Plan:

Resolution #02-2001 defines a Significant Amendment or Modification to the Annual Plan as any change requested by a minimum of 2 members of either the Board of Commissioners, the Resident Advisory Council, or the Village Board of Trustees, as these are the three Boards that help make our policy decisions. In the event that such a request should be made, then it would require a majority vote of the Board of Commissioners to act upon the request.
