## C. Criteria for Substantial Deviation and Significant Amendments

### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### A. Substantial Deviation from the 5-year Plan:

**Substantial Deviation:** A substantial deviation from the 5-year Plan occurs when the board of commissioners decides that it wants to change the mission statement, goals, or objectives of the 5-year plan.

#### B. Significant Amendment or Modification to the Annual Plan:

**Significant Amendment/Modification:** Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the plans of the agency and which require formal approval of the Board of Commissioners.
