Monmouth County's Consolidated Plan sets out the following goals and objectives related to housing within the County, which are directly supported by programs at the Keansburg Housing Authority (KHA).

- *To upgrade and maintain the existing stock of rental housing that is affordable to low-income persons.*

The KHA carries forward this goal through its ongoing Housing Quality Standards inspections in its Section 8 program and through its Capital Fund Program for modernization of its public housing rental stock.

- *To increase the inventory of permanent, affordable, rental housing.*

Through a recently developed nonprofit affiliate, the KHA has helped develop new rental property in its community by creating the Fallon Manor development.

- *To increase supportive housing that includes structural features and services to enable persons with special needs to live with dignity.*

The KHA is fully compliant with the requirements of the ADA and has made available housing for persons with special needs.

- *To provide and advocate for ongoing financial assistance to renters.*

Through both its Section 8 Housing Choice Voucher Program and its Public Housing rental subsidy program, the KHA is a major source of financial assistance for low-income renters in Keansburg.

- *To encourage nonprofit organizations in applying for additional resources to assist the special needs population.*

**Comments of Resident Advisory Board or Boards and Explanation of
PHA Response**

At a meeting with the Resident Advisory Board, the Executive Director explained components of the Annual Plan and the Five-Year Plan.

Discussion took place on several supporting documents included in the plan, including the pet policy, the grievance policy, and the tenant selection policy.

Capital improvements were also discussed. A primary concern expressed by RAB members is funding — they would like to see HUD provide more funding for capital improvement items. One item they were very concerned with is the elevators, which they would like to have replaced sooner than presently scheduled. The Executive Director explained that funding is limited under the new Capital Fund Program, however, he will research existing and alternate funding sources to seek additional money for capital improvement items.
