### A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The Drug Elimination Program is designed to reduce and eliminate drug related crime with the help of local enforcement agencies and other organizations. The program empowers and employs residents. A strong emphasis is placed on programs for children and youth since they are the most susceptible to the lure of drugs. With the close proximity of Rondout Gardens to Broadway East, a troubled development and displacement drug traffickers from New York City, the effort to address drug-related activities continues to be crucial for our residents.
