A. Resident Advisory Board Recommendations

1. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

Because the interests of public housing families are different from the interests of Section 8 families, two separate Resident Advisory Boards were formed representing a cross section of tenants from public housing and for Section 8. Each group was presented with a draft of the plan policies and asked to comment. Comments are summarized below.

2. If yes, the comments are: (if comments were received, the PHA **MUST** select one)

Public Housing Resident Advisory Board

Resident Advisory Board Membership:

**Kathleen Pettit
Mary Sweet
Mario Trippodo
Helen Darling
Joanne Getwright**

**Daniel R. Towne, Executive Director
Patricia Anadio, Tenant Relations**

The following public housing tenants attended meetings of the public housing Resident Advisory Board to review a draft of the plan policies, particularly the Authority's Capital Fund Program

Kathleen Pettit	Helen Darling
Bettie Sweet	William Sweeney
Mary Sweet	Marilyn Goodwin
Robert Johnson	Betty Edwards
Lucy Buanno	Colvin Putman
Sally Johnson	Marilyn Miller
Lena Ortell	Mary Salvione
June Cole	Virgina R. Wood
Anna Etherton	Sarah Hopson
Christina Vozikas	Inez Clarke
Howard Koch	Bev Bauman
Mary Terry	Dorothy Smith
John Higgins	

Staff Attending:

**Daniel R. Towne
Janet Luck**

Not Surprisingly, comments of public housing tenants were mostly about improvements that could be made through the Capital Fund Program. Those comments are summarized here:

- **Some residents are interested in having a covered pavilion constructed in the yard. Residents were told the Housing Authority would have to know if a majority of residents were interested in a covered pavilion, and the Tenants Association was asked to conduct a survey of interest in a covered pavilion.**
- **Residents requesting exhaust fans over kitchen stoves were told that this item is in the Capital Fund Program.**
- **Residents inquired about paint color and wondered if they could have two or three colors to choose from. The Authority's position is to stay with one color to save on maintenance costs. Residents did indicate that the current color was a big improvement.**
- **Issues raised concerning upside down outlets, air quality, windows, and noise were referred to maintenance staff.**
- **Residents requested exhaust fans with lights in bathrooms, larger kitchen stoves with lighted ovens, new tile in kitchens, and frost-free refrigerators. Mr. Towne explained**

that these items are subject to a set schedule for replacement and changes would be considered at that time.

- A request for a cable satellite dish was rejected and not fundable by HUD.
- Capital Fund Program items currently planned were listed by Mr. Towne, and include replacing parking lot asphalt and curbing and sidewalk and curbing. The Board of Commissioners is also looking at problems with the antenna system to improve reception, and improving laundry rooms.

Section 8 Resident Advisory Board

An 24-member Resident Advisory Board was selected to represent a cross section of tenants from the Gloversville Section 8 Program, representing just over ten percent of all tenants in the program.

No listing of Section 8 Resident Advisory Board members is provided since a large proportion of the members submitted their comments anonymously. In addition, it is the policy of the Gloversville Housing Authority not to release names of Section 8 tenants to the public.

Names of Resident Advisory Board members are on file and will be released to appropriate HUD official only with assurances that such names will not be made public or posted in any document or vehicle that is accessible to the public.

Board members were asked to state if they agreed or disagreed with policies in the Plan, and to offer any comments they thought would be appropriate. Those responses and comments are summarized in this section of the Plan.

Plan Policies

Member Responses

	Agree	Disagree	No Opinion
1. Program Mission	15	1	0
The program's mission should be to provide affordable, decent, safe, and sanitary housing to elderly and disabled low-income families, as well as to other low-income families, as dictated by local needs.			
2. Program Size	4	12	0
There is no need to increase the size of the program beyond its current size by applying for additional funding from the Federal Government.			
3. Quality of Service			

Over the next year there should be an emphasis on increasing tenant satisfaction with the program and improving management functions. **13 3 0**

4. Self-Sufficiency

Promoting self-sufficiency by increasing the percentage of employed persons in the program, providing supportive services to assist tenants in gaining employment, and attracting supportive services to increase independence for the elderly or families with disabilities should be goals of the program. **15 1 0**

5. Fair Housing

Staff should take extra measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability. **15 1 0**

6. Preferences

In providing assistants to applicants, preference should be given to residents of the community, the elderly, and the disabled. **13 2 1**

7. Home Ownership

Consideration should be given to allowing Section 8 tenants to use rental subsidies to purchase the house they rent, another house they wish to purchase, or to build a new house. **14 1 1**

8. Additional Comments made by Members:

- **The program should help anyone in need.**
- **Program size should not be limited as long as tenants are helping themselves also.**
- **Income should not dictate how well you live. Even low income people need to live in decent housing.**
- **Home ownership could be a bonus to some that are working toward self-sufficiency.**
- **This is a wonderful program and is great for new single moms restarting their lives.**
- **I like the idea of promoting self sufficiency because that is my goal.**
- **I hope that this questionnaire helps so that people don't take advantage of the system.**
- **There are a lot of low income families that need help.**
- **Some people are too old or sick to work.**
- **I think home ownership is a good idea because it gives people the incentive of self-respect and responsibility.**
- **I myself as a single working mom am grateful for the help I receive and hope to receive in the future.**
- **Priority should be given to low-income families with children.**

- Getting the landlord to comply with regulations needs to be more strictly enforced.
- All people who qualify should be eligible for the program. It is understandable that there may be a waiting list in order to work within the parameters of a budget.
- I have been on HUD since my first little girl was born. I don't know how we would have made it without your help. The emotional support and organizational skills of the section 8 staff are spectacular. To the lady who checks our apartment, my hat is off to you because everything always gets fixed.

With one major exception, members of the Resident Advisory Board that offered opinions that generally agreed with the policies in the plan. There was disagreement on program size with twelve of sixteen responses stating that they thought the size of the program should be increased. This probably relates to earlier times when waiting lists were long, and will be considered in that light when considering changes in plan policies dealing with the need to apply for additional funding.

Policies concerning the program mission, self-sufficiency, fair housing, and preferences were strongly endorsed by respondents. Responses to quality of service were stronger than the tally indicates, since the disagreeing responses contained the generic comment that there is always room for improvement. Also there was strong interest in a homeownership program.

Policies endorsed by the membership of the Resident Advisory Board will continue to be stressed in the Annual Plan. Because of the strong interest expressed by members of the Resident Advisory Board in a homeownership program, analysis of the viability of a homeownership program will be undertaken during the Plan year to determine if such a program is affordable within the Section 8 financial structure.
