### Progress Report To 5 Year Plan

Our 5 year Goal to improve the the quality of assisted housing remains our main concern and have made much progress in the last year.

The staff size has increased from 3 to 7 members:

#### Table of Organization for Section 8 Program

##### Housing Assistance Administrator

Senior Acct Clerk	Outreach Worker	(2) Housing Rep	Housing Inspector	Financial Analyst

The Staffing will allow us to increase our Lease-up rate and improve our SEMAP score and will also allow us to help our participants with greater speed and customer satisfaction. We have concentrated on efforts to improve specific management functions by sending staff to a number of training seminars including Program Update Sessions and HQS/Lead Paint Training.

We also have updated computer hardware to increase processing speed and keep up with all technology changes. The upgrade will allow us to utilize our software to best serve the program and meet all of HUDs program requirements. We have participated in several informational briefing programs working with community organizations such as Neighborhood Citizen groups.

We have meet with Utica Neighborhood Housing Program and set up preliminary talks of possibly implementing a Homeownership program within the near future and have been working on improving our Family Self-Sufficiency Program. The Section 8 Staff has been working with the

Oneida County Health Department and setting up informational briefings for tenant and landlords regarding Lead Paint Regulations.

In improving our program we will continue to meet our mission of promoting adequate and affordable housing, economic opportunity and suitable living environment free from discrimination.
