Based on comments made by members of the Resident Advisory Board, the need to increase program size will be evaluated against the number of applicants on the waiting list during the current plan year.

Also based on comments made by members of the Resident Advisory Board, a homeownership program will be evaluated during the current plan year to determine if the Village of Phoenix Housing Agency has the capacity and resources to establish such a program.

2. Voucher Homeownership Program

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A change in the PHA mission or a strategic goal will be considered a substantial deviation from the 5-year plan.

B. Significant Amendment or Modification to the Annual Plan:

Changes in or additions to the PHA mission; strategic goals; strategy for addressing needs; or policies governing eligibility, selection, and admission will be considered a significant amendment or modification to the PHA's 5-year and annual plan.

Required Attachment B: Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

A twenty-five member Resident Advisory Board was selected to represent a cross section of tenants from the Village of Phoenix Housing Agency Section 8 Program. The Resident Advisory Board represents twenty percent of all tenants participating in the Village of Phoenix Housing Agency Section 8 Program.

Although Attachment B requires that members be listed here, no such listing is provided since some members of the Resident Advisory Board submitted their comments anonymously. In addition, it is the policy of this PHA not to release names of Section 8 tenants to the public.

Names of Resident Advisory Board members will be released to appropriate HUD official only with assurances that such names will not be made public or posted in any document or vehicle that is accessible to the public.

Required Attachment C: Comments of Resident Advisory Board & Explanation of PHA Response (7 out of 20 members offered comments)

Plan Policies	Member Responses		
	<u>Agree</u>	<u>Disagree</u>	<u>No Comment</u>
<p>1. Program Mission</p> <p>The program's mission should be to provide affordable, decent, safe, and sanitary housing to elderly and disabled low-income families, as well as to other low-income families, as dictated by local needs.</p>	16		
<p>2. Program Size</p> <p>There is no need to increase the size of the program beyond its current size by applying for additional funding from the Federal Government.</p>	3	11	2
<p>3. Quality of Service</p> <p>Over the next year there should be an emphasis on increasing tenant satisfaction in the program and improving functionality.</p>	12	3	1
<p>4. Fair Housing</p> <p>Staff should take measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability.</p>	13	1	2

5. Preferences 13 2 1

In providing assistants to applicants, preference should be given to residents of the community, the elderly, and the disabled.

6. Home Ownership 14 2

Consideration should be given to allowing Section 8 tenants to use rental subsidies to purchase the house they rent, another house they wish to purchase, or to build a new house.

Additional Comments made by Members:

- Program is wonderful for me and others I know receiving assistance. As a single mother of 2, I could not get along without it.
- Because of rising fuel costs, many rentals available now will not be available in the near future. My rental unit must be costing my landlord more than the rent the unit earns.
- I am satisfied with how the program works.
- I feel that the administrator does a great job and is always providing the best help in any situation.
- More allowances should be given to full time low-income workers that cannot make it on take home pay. Bigger allowances should be given for older children.
- Without HUD, I would have never been able to afford my own apartment.
- I believe in a lot of cases it may be cheaper for Section 8 to help with purchasing a home for a low income family than paying the rent on some rental properties. The mortgage could be less than the rent.

With one major exception, members of the Resident Advisory Board that offered opinions generally agreed with the policies in the plan. There was disagreement on program size with eleven of sixteen responses stating that they thought the size of the program should be increased. This aspect of the plan will have to be evaluated over the next year.

Policies concerning the plan mission, fair housing, and preferences were endorsed by all respondents. Also there was strong interest in a homeownership program.

Policies endorsed by the membership of the Resident Advisory Board will continue to be stressed in the Annual Plan. Responses to the quality of service question are not consistent with comments made by respondents, and may indicate a misunderstanding of the question rather than a need to improve service. The strong interest expressed by members of the Resident Advisory Board in a homeownership program,

indicates that this type of program should be evaluated to determine viability, taking into consideration existing staff and available program resources.
