ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

Optional and not required.

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

A voucher homeownership program will not be implemented this year for the Village of Scotia Section 8 Program because the program's requirements cannot be financially supported by a small agency. Instead, the viability of a regional homeownership program will be evaluated in an attempt to respond to the comments made by members of the Resident Advisory Board supporting a homeownership program.

Based on comments made by members of the Resident Advisory Board, less emphasis will be placed on improving delivery of services than was contemplated in the Year 2001 Plan.

2. Voucher Homeownership Program

[24 CFR Part 903.7 9 (k)]

A. Yes No: Does the PHA plan to administer a Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A. of 1937, as implemented by 24 CFR part 982 ? (If "No", skip to next component; if "yes", describe each program using the table below (copy and complete questions for each program identified.)

B. Capacity of the PHA to Administer a Section 8 Homeownership Program

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- Establishing a minimum homeowner downpayment requirement of at least 3 percent and requiring that at least 1 percent of the downpayment comes from the family's resources
- Requiring that financing for purchase of a home under its section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards
- Demonstrating that it has or will acquire other relevant experience (list PHA experience, or any other organization to be involved and its experience, below):

3. Other Information

[24 CFR Part 903.7 9 (r)]

A. Resident Advisory Board (RAB) Recommendations and PHA Response

1. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?
2. If yes, the comments are Attached at Attachment C
3. In what manner did the PHA address those comments? (select all that apply)
 - The PHA changed portions of the PHA Plan in response to comments
A list of these changes is included
 - Yes No: below or
 - Yes No: at the end of the RAB Comments in Attachment C.
 - Considered comments, but determined that no changes to the PHA Plan were necessary. An explanation of the PHA's consideration is included at the end of the RAB Comments in Attachment C.
 - Other: (list below)

B. Statement of Consistency with the Consolidated Plan

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: **New York State**
2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)
 - The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
 - The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
 - The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
 - Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives contained in the Consolidated Plan. (list such initiatives below)
 - Other: (list below)
3. PHA Requests for support from the Consolidated Plan Agency

Yes No: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments:
(describe below)

The priority and objectives of the New York State Consolidated Plan for federal fiscal years 1996-2000 support this Agency Plan with the following statements in the Strategic Plan Section of the State's Consolidated Plan:

- 1. Preserve and increase the supply of decent, safe and affordable housing available to all low-and moderate-income households, and help identify and develop available resources to assist in the development of housing.**
- 2. Improve the ability of low and moderate income New Yorkers to access rental housing and homeownership opportunities.**
- 3. Address the shelter, housing, and service needs of the homeless poor and others with special needs.**

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A change in the PHA mission or a strategic goal will be considered a substantial deviation from the 5-year plan.

B. Significant Amendment or Modification to the Annual Plan:

Changes in or additions to the PHA mission; strategic goals; strategy for addressing needs; or policies governing eligibility, selection, and admission will be considered a significant amendment or modification to the PHA's 5-year and annual plan.

Required Attachment B: Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

An 35-member Resident Advisory Board was selected to represent a cross section of tenants from the Town of Rotterdam, Village of Scotia, and Village of Scotia. These are small Section 8 only PHAs ranging in program size from 55 units to 200 units, and without combining tenants from these programs into one Resident Advisory Board, it would have been impossible to obtain meaningful representation for each program. The Resident Advisory Board represents just over 10 percent of all tenants for the listed PHAs, and representation on the Board is proportional to the program size of each PHA.

Although Attachment B requires that members be listed here, no such listing is provided since a large proportion of the members of the Resident Advisory Board submitted their comments anonymously. In addition, it is the policy of this PHA not to release names of Section 8 tenants to the public.

Names of Resident Advisory Board members are on file and will be released to appropriate HUD official only with assurances that such names will not be made public or posted in any document or vehicle that is accessible to the public.

Required Attachment C: Comments of Resident Advisory Board & Explanation of PHA Response (19 out of 35 members offered comments)

Plan Policies	Member Responses		
	Agree	Disagree	No Comment
<p>1. Program Mission</p> <p>The program's mission should be to provide affordable, decent, safe, and sanitary housing to elderly and disabled low-income families, as well as to other low-income families, as dictated by local needs.</p>	19	0	0
<p>2. Program Size</p>	2	16	1

There is no need to increase the size of the program beyond its current size by applying for additional funding from the Federal Government.

3. Quality of Service **13** **6** **0**

Over the next year there should be an emphasis on increasing tenant satisfaction with the program and improving management functions.

4. Self-Sufficiency **17** **1** **1**

Promoting self-sufficiency by increasing the percentage of employed persons in the program, providing supportive services to assist tenants in gaining employment, and attracting supportive services to increase independence for the elderly or families with disabilities should be goals of the program.

5. Fair Housing **19** **0** **0**

Staff should take extra measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability.

6. Preferences **16** **0** **3**

In providing assistants to applicants, preference should be given to residents of the community, the elderly, and the disabled.

7. Home Ownership **16** **2** **1**

Consideration should be given to allowing Section 8 tenants to use rental subsidies to purchase the house they rent, another house they wish to purchase, or to build a new house.

8. Additional Comments made by Members:

- No one should be without a place to live.

- A homeownership program should not be used to build a new house, but should be used to help purchase an existing house. New houses should only be for those who can afford them on their own.
- Program should gear more towards subsidizing the low-income families and helping no income families become employed, but still subsidize them.
- There is such a need in this community and surrounding communities for housing that not getting additional funding would be detrimental to those in need, especially children.
- I would like to be able to rent from family members.
- I think that drug screening should be done for all parties on assistance. I think if someone can purchase or sell drugs, they should not be given assistance.
- This program has helped me a lot because I get the minimum allowance from SSI. I am able to squeak by on my bills. \$600 a month doesn't go that far, but HUD is the big helper.

With one major exception, members of the Resident Advisory Board that offered opinions generally agreed with the policies in the plan. There was disagreement on program size with sixteen of nineteen responses stating that they thought the size of the program should be increased. This probably relates only to communities where waiting lists are long, and will be considered in that light when considering changes in plan policies dealing with the need to apply for additional funding.

Policies concerning the program mission, self-sufficiency, fair housing, and preferences were endorsed by all respondents. Also there was strong interest in a homeownership program. Responses to quality of service were mixed with 6 responses disagreeing that quality of service should be increased. This means that less emphasis will be placed on this area in the coming year than originally intended.

Policies endorsed by the membership of the Resident Advisory Board will continue to be stressed in the Annual Plan. Because of the strong interest expressed by members of the Resident Advisory Board in a homeownership program, analysis of the viability of a regional homeownership program will be undertaken as an alternative to making this program available in small agencies where it would not be financially supportable.
