Required Attachment B : Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen)

A 55-member Resident Advisory Board was selected to represent a cross section of tenants from the various jurisdictions of the Fort Plain Housing Agency. The breakdown of the process is shown below:

Community	Amsterdm	Charleston	Fonda	Ft. Johnson	Fort Plain	Fultonville	Glen	Minden	Mohawk	Palatine Bridge	Total	Percentage	
Elderly			1	1		8	2				1	13	24%
Disabled		1		1	2	5		2	1	1	4	17	31%
Regular		1		2		14	3	1		1	3	25	45%
TOTAL		2	1	4	2	27	5	3	1	2	8	55	100%

This represents just over 15% of all of the tenants for our PHA’s jurisdiction. Although Attachment B requires that members be listed here, no such listing is provided since a large proportion of the members of the Resident Advisory Board submitted their comments anonymously. In addition, it is the policy of this PHA not to release names of Section 8 tenants to the public.

Names of Resident Advisory Board members will be released to appropriate HUD officials only with assurances that such names will not be made public or posted in any document or vehicle that is accessible to the public.

Required Attachment C : Comments of Resident Advisory Board & Explanation of PHA Response (41 out of 55 members offered comments)
Plan Policies:

1. Program Mission

The program's mission should be to provide affordable, decent, safe, and sanitary housing to elderly and disabled low-income families, as well as to other low-income families, as dictated by local need.

Agree	Disagree	No Opinion
40		1

2. Program Size

There is no need to increase the size of the program beyond its current size by applying for additional funding from the Federal Government.

Agree	Disagree	No Opinion
20	17	4

3. Quality of Service

Over the next year there should be an emphasis on increasing tenant satisfaction with the program and improving management functions

Agree	Disagree	No Opinion
37	3	1

4. Self-Sufficiency

Promoting self-sufficiency by increasing the percentage of employed person in the program, providing supportive services to assist tenants in gaining employment, and attracting supportive services to increase independence for the elderly or families with disabilities should be goals of the program.

Agree	Disagree	No Opinion
36	3	2

5. Fair Housing

Staff should take extra measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, or disability.

Agree	Disagree	No Opinion
37	4	

6. Preferences

In providing assistance to applicants, preference should be given to residents of the community, the elderly, and the disabled.

Agree	Disagree	No Opinion
41		

7. Home Ownership

Consideration should be given to allowing Section 8 tenants to use rental subsidies to purchase the house they rent, another house they wish to purchase, or to build a new house.

Agree Disagree No Opinion
27 14

8. *Additional Comments made by Members:*

- *If we can't afford our rent, how can we afford a mortgage and upkeep of our house.*
- *There should be consideration of interim relief for large increases in fuel prices.*
- *The program is a God send to me. Don't know where I'd live without it.*

Policies concerning Program Mission, Quality of Service, Self-Sufficiency, Fair Housing, and Preferences were endorsed by a large majority of the respondents.

There was disagreement on program size mainly due to insufficient information on the current program size and the relatively confusing nature of the question. Currently the PHA turns over all applications received for the month with additional openings still available. This indicates that currently there is no need for increasing the program size.

There was lukewarm response to the idea of homeownership. While the majority did respond favorably, there was a significant percentage that did not believe this to be a feasible program. Since this PHA is quite small, the chances of this program succeeding at this time are reduced. The PHA along with the Resident Advisory Board felt that a Homeownership Program should not be considered at this time. The PHA will continue to monitor this and review the feasibility as needed.

Required Attachment D: Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals

- *A Resident Advisory Board has been established and its membership has commented on the contents of the annual plan.*
- *Unit inspections have increased in frequency providing better maintenance of assisted units.*
