As a High Performer with a PHAS score of 91.8, the Lucas Metropolitan Housing Authority strives to continue to provide outstanding housing and services to its clients. To complete our 2001 Five-Year and Annual Plans, LMHA has undertaken a strategic review of our policies, procedures, and practices to ensure that we maintain our high performing status under the new regulations enacted under the 1998 Quality Housing and Work Responsibility Act. In response, LMHA has updated our Admissions and Continued Occupancy Policy, Lease, and Section 8 Administrative Plan to reflect the new requirements, in addition to guaranteeing that we meet the income mixing targets in both programs as promulgated by HUD. The LMHA held a series of working sessions with interested organizations from the community to discuss and review our Self-Sufficiency and Safety and Security Programs to address any current concerns and directions for the future.

The Resident Advisory Board has been organized and has had significant input into the development of the Pet Policy, the Community Service Policy and the Annual Plan for fiscal year beginning July 1, 2001.
