PROGRESS IN MEETING GOALS AND OBJECTIVES

IMPROVE THE QUALITY OF ASSISTED HOUSING

RENOVATE OR MODERNIZE PUBLIC HOUSING UNITS

Ongoing Capital Fund Program funds are being used to accomplish these goals. Addition of Air Conditioning to Elderly High Rises is being accomplished through these funds.

DEMOLISH OR DISPOSE OF OBSOLETE PUBLIC HOUSING

We have identified units that are not viable and will seek to dispose of them.

PROVIDE REPLACEMENT VOUCHERS

We will seek replacement vouchers for units that are disposed.

REVIEW AND DETERMINE WHETHER ELDERLY DESIGNATION OF HIGH RISES IS APPROPRIATE AND HELPFUL

At this point in time after reviewing applicant pool, waiting list, and vacancies it would not be in the best interest of the HA or the disabled population to seek an elderly only designation.

REVIEW AND DETERMINE DEMO/DISPO OPTIONS

As stated above we have identified two (2) units at this time that due to location, condition and modernization costs should be disposed of and replaced with vouchers.

DEPROGRAM FOUR (4) FIRST FLOOR APTS. TO INCREASE ADMINISTRATIVE OFFICE SPACE

First floor residents were given a year to select from vacant units where they would prefer to be transferred. All have been transferred and BMHA will seek to deprogram apts.

RESIDENT SERVICE AND SATISFACTION SURVEY – FOLLOW-UP PLAN

The Belmont Metropolitan Housing Authority (BMHA) is required to submit a follow-up plan in the areas of Safety and Communication based on the RASS scores for fiscal year 2000.

We would note that without project specific information our responses are based on guesswork and our follow-up plan's effectiveness is questionable.

COMMUNICATION – SCORE 70.3

In analysis of data provided to the HA, residents feel that we are not responsive to questions and concerns. It has and will continue to be a goal of the HA to provide prompt, courteous and professional service to our customers.

BMHA employees were recently trained and viewed a video on giving "Good Customer Service". Tenant meetings are being held to help in this area.

SAFETY – SCORE 64.4

On question 12, regarding crime prevention programs available to residents, which carries a weight of 25% of the score, BMHA received 15.2%.

Being that the BMHA is located in a county with a very low crime rate with virtually no violent criminal activity in our complexes we do not have a reason for such programs. We feel the weight of the question is far too high and implies that all PHA properties have high crime rates.

Without this question's score there would be no reason for a follow-up plan. We do not believe our time would be well spent to implement programs geared to a score without any benefit to residents or the community.

However, we do believe in some multi-purpose buildings there is a perception of being unsafe due to population mixing. The HA is stringent with lease violations and hopes that regular tenant meetings will help alleviate concerns.

All multi-purpose (formerly elderly) buildings have security cameras at the entrances and secured entryways. We have changed locks on the buildings where there was not a separate entry key from the apartment key and have issued only one entry key per resident to limit access by unauthorized visitors. Other than HA employees, police and fire departments, no one other than residents have access to the buildings. Guests may be "buzzed in" from the tenant's apartment and they are able to view visitors at the front door on their television screens.
