### **C. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Section 8 waiting list has at least a one year supply of names on it. While the public housing waiting list has 174 names on it, typically at least 75% of the names on that list are also on the Section 8 list. Staff also finds that families whose names are on both lists are usually more inclined to want Section 8 assistance over public housing. Because of this the public housing waiting list does not accurately reflect the number of families who are truly waiting for public housing to become available. They place their name on that list "just in case" something happens that would prevent them from getting Section 8 assistance in a timely manner.

The Day Woods Apartments (Sandusky MHA's only Public Housing) is almost always 100% occupied or, if not, it is within one or two units of full occupancy.

Sandusky MHA must increase the number of families participating in the Section 8 Voucher program. Funding is available to help 312 families in Sandusky County, and currently approximately 73% of the Vouchers and Certificates are being utilized. Our problems with lease up have been due primarily to staffing problems that we had during several months of the current fiscal year. Our occupancy staff of two (2) (three, when funding is available) decreased to one (1) just prior to the beginning of the fiscal year. We had to advertise three times before finally permanently filling positions in Spring 2001. During that time we lost a lot of ground; it was all our one occupancy employee could do just to maintain the annual recertification and interim activity, along with working on SEMAP, PHAS, and Agency Plan requirements and going through the hiring

process several times. We now have hired two (2) new employees, for a total of three (3), so we are fully staffed; however, there is a lot of training that is taking place and still must take place to be fully up and running. Our goal, by June 2002, is to have our utilization up to 95%.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance

**Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- Employ admissions preferences aimed at families who are working

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

**Strategy 2: Conduct activities to affirmatively further fair housing**

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: Market the Section 8 program to owners regardless of location (in or out of poverty/minority concentrations)

**Other Housing Needs & Strategies: (list needs and strategies below)**

**(2) Reasons for Selecting Strategies**

## ATTACHMENT C: Resident Member on the PHA Governing Board

1.  Yes  No: Does the PHA governing board include at least one member who is directly assisted by the PHA this year? (if no, skip to #2)

A. Name of resident member(s) on the governing board: Steve Stull

B. How was the resident board member selected: (select one)?

- Elected  
 Appointed

C. The term of appointment is (include the date term expires): 11/13/2001 – 09/11/2004

2. A. If the PHA governing board does not have at least one member who is directly assisted by the PHA, why not?

- the PHA is located in a State that requires the members of a governing board to be salaried and serve on a full time basis
- the PHA has less than 300 public housing units, has provided reasonable notice to the resident advisory board of the opportunity to serve on the governing board, and has not been notified by any resident of their interest to participate in the Board.
- Other (explain): A decision was made by the SMHA Board that a resident would be selected by residents who attend RAB meetings. While all Section 8 and Public Housing residents have been notified numerous times about RAB meetings, there are currently six residents who have been attending meetings since last Fall. In the Fall of 2000, the members chose to wait until they were more familiar with each other before selecting someone from among themselves to serve on the board. The group, which has been meeting twice each month since November 2000 (except May, June, and July of 2001), plans to make their selection by August 30, just prior to the next term expiration on September 11.

B. Date of next term expiration of a governing board member:

C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position):

## **ATTACHMENT D: Implementation of Public Housing Resident Community Service Requirements**

Sandusky MHA members approved a resolution adopting a Community Service Policy on February 12, 2002. A copy of the resolution is being forwarded to the Cleveland HUD Field Office as per their request dated November 27, 2001.

The resolution also acknowledges the action taken in December 2001 by the Department of Veteran Affairs and Housing and Urban Development and Independent Agencies Appropriation Act, 2002, at Section 432, which provides that no funds made available by this Act may be used to implement or enforce the Community Service requirement, except with respect to any resident of a public housing project funded through the HOPE VI program. Based on this action at the federal level, the Community Service Policy will be suspended immediately until further notice.

## **ATTACHMENT E: Implementation of Pet Policy in Public Housing**

Sandusky MHA members approved a resolution adopting a Pet Policy on February 12, 2002. A copy of the resolution is being forwarded to the Cleveland HUD Field Office as per their request dated November 27, 2001.

The delay in adopting this policy sooner was due to opposition of a Pet Policy by the Resident Advisory Board. The RAB's recommendation to the SMHA members was to not adopt a Pet Policy; however, one has now been adopted in accordance with HUD's requirements.

## **ATTACHMENT F: Progress Meeting 5 Year Plan Mission and Goals**

1. Due to staffing problems, not able to increase the Voucher and Certificate utilization as planned. Goal has been revised to be at 95% utilization by June, 2002.
2. Staff unable to attend training related to customer service and fair housing.
3. Still working on improving quality control for unit inspections and tenant files.
4. Not enough staff to make frequent contacts from waiting list. Will improve now that more staff in on board.
5. Hired an Assistant Account Clerk, which has helped in improving debt collection and getting manual bookkeeping converted to the computer.
6. Minimal unit renovation and modernization took place during fiscal year. Plans being made now to begin large scale renovations including carpet and floor tile replacement, major improvements in baths and kitchens, new furnaces, and addition of air conditioning.
7. Unable to conduct outreach to landlords until the end of the fiscal year. Will continue with this into the new fiscal year.
8. Must still research the implementation of voucher homeownership program; converting public housing to vouchers; and implementing public housing security improvements. Have arranged with local off duty police officers to patrol premises on a random basis.
9. Continue to provide decent, safe, and sanitary housing for families, along with maintaining rents at an affordable level and assuring that units meet HQS (soon to be UPCS).

## ATTACHMENT I: Residents' Comments and Response to Comments

The Resident Advisory Board reviewed last year's Agency Plan and the proposed Plan for this year (07/01/01). They have also assisted in putting together the Pet Policy.

1. Prior to the Public Hearing, residents involved in the process of developing a **Pet Policy** – **all Public Housing residents** – strongly disagree with the HUD regulations requiring that PHAs have a Pet Policy. Residents are very opposed to any pets. At this time (as of the date the SMHA Board has certified this Plan), as a result of the above, there is no Pet Policy to approve. PHA staff will continue to work on this issue with residents to try to reach a consensus. The Public Housing Lease has, for years, permitted fish and small birds. There have been NO complaints from residents that there is no Pet Policy. At the Public Hearing, the comments above were repeated. Also at the hearing, a board member asked about how pets were handled in homes assisted with Vouchers, and staff explained it was a landlord/tenant issue, and the lease should spell out what is and is not permitted in the unit.

**FOLLOW-UP TO ABOVE, FEBRUARY 12, 2002: The RAB worked to complete the above-named policy; however, they are still, as a group, opposed to pets on the property.**

2. Concerning **Capital Funds (both the Annual Plan and 5 Year Action Plan)**, a resident inquired as to when we would be installing new entrance doors on units. He described the problems he was having with his front entrance door and his storage shed door. The Executive Director indicated that entrance doors are an item that will be addressed in the future and suggested, in the meantime, that a maintenance work order be submitted to see if the problem could be fixed through the maintenance department for the time being.
3. Concerning plans to partially renovate a specific number of units at a time (**CFP Annual Plan and 5-Year Action Plan**), a board member inquired as to whether or not a decision had been made as to which "X" number of units would be worked on first. The response from the Director was, "Not at this time. This must be determined."
4. Concerning action taken when there is **drug-related activity** – with both applicants and residents – (1) a board member inquired how staff determined when there was drug activity in a unit and (2) a resident expressed concern that possibly our proposed policies focused too heavily on activity related to methamphetamine and less on other kinds of drugs. After some discussion, the Director suggested, for the time being, that we proceed with the policies we have proposed, and that policies related to drug activity be reviewed for possible changes in the upcoming months by the RAB.
