ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

The Walters Housing Authority has made no significant changes in policies and programs discussed in last year's PHA Plan. We did correct our plan dates, as last year's Five-Year Plan was incorrectly titled "2001-2005" with a "2001" Annual Plan; instead of "2000-2004" with a "2000" Annual Plan. This year's Annual Plan is correctly titled ("2001") although the actual PHA Fiscal Year it applies to is our FY-2001 (1 October 2001 – 30 September 2002).

We have implemented described new programs, such as Community Service and Pet Policy (applied to all residents versus elderly only), as covered in our Admissions and Continued Occupancy Policy. And we have continued to update existing policies in order to comply with new public housing law, HUD guidance, and state & local practices.

Capital Improvement Program plans have been updated, again to reflect the correct annual dates, and to update some work items and costs.

Given that we did make changes, albeit not significant, our PHA Plan Annual Update was made subject to public comment and public hearing as well as review by the residents via the Resident Advisory Board, prior to final approval by the Board of Commissioners.

PHA Goal: Improve the quality of assisted housing by improving public housing management (PHAS Score), increasing customer satisfaction, and by modernization of public housing units.

Modernization activities are underway with a CIAP-99 and CFP-2000 bid package being prepared to provide for car ports, additional storage, and storm safe rooms – the three most requested improvements voiced by the majority of residents. Other related site improvements are also being planned. Construction will commence Summer 2001.

PHA Goal: Improve community quality of life and economic vitality by implementing public housing security improvements and by designating buildings for particular resident groups (elderly, family).

The Walters Housing Authority has improved security measures by improving lighting and implementing a police tenant program. Additional lighting enhancements are being planned. Through the use of preferences when feasible, the integrity of originally-designated elderly and family areas has been maintained.

PHA Goal: Promote self-sufficiency and asset development of families and individuals by providing or attracting supportive services to increase independence for the elderly or families with disabilities.

The Walters Housing Authority has entered into a Memorandum of Agreement with the local Department of Human Services to ensure cooperation in providing financial and other supportive services to deserving families. Increased use of State Medicaid dollars to pay Medicare Premiums, subsidize purchase of prescription drugs is one example. The PHA also cooperates extensively with other supporting agencies (e.g., home health, advantage program, etc.) to promote elderly/disabled health and quality of life.

PHA Goal: Ensure Equal Opportunity in Housing for all Americans by undertaking affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, gender, familial status, and disability.

The Walters Housing Authority is committed to Equal Opportunity Housing and holds itself out to that effect at every opportunity. Policies are in place and enforced to ensure that access to our federal housing program is without bias or discrimination.
