HOUSING AUTHORITY OF LINCOLN COUNTY DECONCENTRATION POLICY

As required by Section 513 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA) implements a regulatory change requiring Housing Authorities to adopt and implement a "DecontrationPolicy".

It is the Housing Authority of Lincoln County policy to provide for Deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments.

The Housing Authority of Lincoln County will affirmatively market our housing to all eligible income groups. Lower income applicants will not be steered toward lower income developments and higher income applicants will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments. Based on this analysis, we may skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

CONTINUED OCCUPANCY AND COMMUNITY SERVICE HOUSING AUTHORITY OF LINCOLN COUNTY (HALC)

GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities unless they are exempt from this requirement.

NOTIFICATION OF THE REQUIREMENT

The HALC shall identify all adult family members who are apparently not exempt from the community service requirement and notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. Notification will provide the opportunity for family members to claim and explain an exempt status. The HALC shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after HUD's approval of the Housing Authority 2001 Annual Plan. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community. The HALC will coordinate with social service agencies and local schools in identifying a list of volunteer community service opportunities. The HALC may create volunteer positions such as hall monitoring, litter patrols, record keeping etc. for volunteers.

THE PROCESS

At the first annual reexamination after HUD's approval of the Housing Authority 2001 Annual Plan and each annual reexamination thereafter, the HALC will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.

- D. Assign family members to a Community Services Coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The Community Services Coordinator will track the family member's progress and will meet with the family member as needed to best encourage compliance.
- E. Sixty (60) days before the family's next lease anniversary date, the Community Services Coordinator will advise the HALC Public Housing Manager whether each applicable adult family member is in compliance with the community service requirement.

NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The HALC will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

OPPORTUNITY FOR CURE

The HALC will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made up.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate, or falls behind in their obligation under the agreement to perform community service, the HALC shall take action to terminate the lease.

PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the HALC will not substitute community service activities performed by residents for work ordinarily performed by its employees.

HOUSING AUTHORITY OF LINCOLN COUNTY- 5 YEAR PLAN MISSION AND GOALS PROGRESS

The Housing Authority of Lincoln County, for the most part, has stayed on course in working toward the stated goals and objectives of our 5 Year Plan for fiscal years 2000-2004. Upon reflection, some time frames for achievement of goals, attached to some of the stated goal objectives in our plan, may have been over ambitious in light of also having to, at the same time, implement the many required regulatory changes of QHWRA.

The necessity of having to adjust to new requirements of the REAC and PIC reporting systems, all with their own problems, and a new Public Housing Physical Inspection Standard, all demanding short learning curves, has been cumbersome and demanded priority attention for the agency over goal attainments.

We have however made the following progress and will continue to work toward meeting the established goals and objectives outlined in our Agency Plan.

Great strides have been made just in this past fiscal year in utilizing Capital funds to improve and maintain our public housing units. We will continue to utilize these funds to improve the quality and marketability of Public Housing and developing a capital reserve fund to maintain the housing asset.

In regards our goal of developing a "Pre-Home Ownership Program" for families of lower incomes that would prepare them for homeownership, we have found good community partner resources and are moving forward with development of the program.

Our implementation of Drug Prevention Programs has been successful. A Neighborhood Watch program has begun for our Newport developments. Literacy programs focusing on awareness and prevention have been provided and we added children and youth summer programs focused on awareness and prevention activities that were very successful.

We have developed strong community collaborative partnerships that provide focused family unity programs around education expansion, parenting and improving employability skills. We were also successful in our goal of hiring a Community Services Specialist that has expanded our Public Housing FSS program to eleven active families.

We are ensuring the availability of accessible housing for persons with disabilities through the Executive Directors participation on the Lincoln County Mental Health Housing Committee that has the goal of finding ways to provide more affordable housing for the mentally challenged in Lincoln County.

Enhancing the Housing Authority image as a positive community partner has also seen a big change. A marketing plan has been developed and has been implemented but has been slow going. We see now that this plan will need to be revisited and updated often in order to keep up with changing dynamics of a small rural community.
