The Housing Authority of Jackson County, in the next year, intends to manage existing programs effectively. The agency will pursue opportunities that might arise to increase the availability of affordable housing. The agency is continuing the PHDEP program in this year. We have also received a TA grant to assist in planning and monitoring our PHDEP program. Staff will continue to work with residents to establish a resident organization.

The Authority will continue the policy of screening tenants more extensively than required by regulation. We have increased the payment standard to a higher percentage of the FMRs to more accurately reflect market conditions and assist tenants in being able to find suitable units. This also makes it easier to meet the 40% limit on the tenants contributions. The agency has instituted a \$50 minimum rent. Flat rents have been established for all units. Interim recertifications are not required if the family has an increase in income.

On November 29, 1999 The Board of Commissioners of the Housing Authority of Jackson County adopted Resolution 99-22 identifying the basic criteria:

Be it Resolved by the Board of Commissioners of the Housing Authority of Jackson County that the Housing Authority of Jackson County defines a substantial deviation from its five-year plan to be a change of more than \$10,000 in any budget line item and a significant amendment and modification to be any action that adds or deletes a preference for admission to a HUD funded program (other than an addition or deletion required by HUD for special purpose Vouchers) or any action that requires an additional level of tenant reports or compliance.

**ATTACHMENT E: RESIDENT MEMBERSHIP OF THE PHA GOVERNING BOARD**

**Kelley Meyers is the resident member of the Housing Authority Board of Commissioners. She is an assisted tenant in the Section 8 program. The tenant board member is appointed by the Jackson County Commissioners. The term is for five years. The Authority sends out information to tenants concerning a position to be filled. Tenants turn in applications to the County Commissioners.**

**ATTACHMENT F: MEMBERSHIP OF THE RESIDENT ADVISORY BOARD**

**The Housing Authority of Jackson County did not have a Resident group in place to act as the Advisory Board for the Agency Plan. The Agency decided to name the members of the Family Self Sufficiency Programs in both the Public Housing and the Section 8 programs as members of the Advisory group. Letters were sent to the participants inviting them to participate in the process of determining the policies in the Plan. One participant came to the public meeting but did not have input in designing the plan. She just wanted to be informed. She may apply for the next board of directors position.**
