### **CENTRAL OREGON REGIONAL HOUSING AUTHORITY** Five Year Plan Progress Report

#### **Goal 1**

CORHA has implemented a quarterly owner newsletter sent to all Section 8 landlords and has partnered with the Central Oregon Rental Owners Association (COROA) in conducting a Central Oregon Rental Housing Survey and Lead Based Paint Training session. Owner briefings are currently scheduled for Summer of 2001. No progress has been made on the development of Safety and Crime Prevention Policies for the multi-family sites.

#### **Goal 2**

CORHA has maintained and updated the MTCS software, utilizing this vendor to full capacity. All QHWRA regulations have been implemented and policies updated. No progress has been made on the demolition or disposition of Public Housing, or the designation or senior/disabled families.

#### **Goal 3**

CORHA is currently researching a homeownership opportunity utilizing Section 8 Vouchers. CORHA has obtained 100% lease-up of the Welfare to Work Program, and continues with on going efforts to assist 100 families under this program, and continues to administer a successful FSS program with 50 program participants. No progress has been made on implementing a Public Housing FSS Program.

#### **Goal 4**

CORHA received an \$80,000 grant from the Northwest Area Foundation to complete a housing needs assessment for Central Oregon. The Central Oregon Housing Needs Assessment Committee (COHNAC) was formed with participation from area wide housing service providers and the results were unveiled at a workshop held at the Deschutes County Fairgrounds with approximately 100 people in attendance.

**Goal 5**

CORHA has established 1 and 5 year Capital Improvement goals for Public Housing and has inventoried assets in conjunction with the preparation of its year end financial statements. We are currently working on a rating and inspection system for life and condition of assets for all properties owned and managed. Upon completion of the scheduled inspections, we will complete a feasibility study and set up an action plan.

CORHA has hired a full-time Asset Manager and is currently putting together a comprehensive Asset Management Program for all of its properties.

**Goal 6**

CORHA has completed its conversion to GAAP with its June 30, 2000 financial statements, which comply with PHAS reporting requirement, and has completed its annual review of insurance coverage. CORHA is currently planning to complete a comprehensive Financial Policies and Procedures manual.

CORHA has scheduled a comprehensive audit of internal control procedures and will include these procedures in the Financial Policies and Procedures manual. CORHA is reviewing financial information at least monthly.

CORHA is in the process of drafting the Annual Report, and the audit of CORHA's 6/30/00 financial statements contained no unresolved audit findings.

**CENTRAL OREGON REGIONAL HOUSING AUTHORITY  
PUBLIC HOUSING DECONCENTRATION ANALYSIS**

February 1, 2001

The Central Oregon Regional Housing Authority's Public Housing family development units are located on scattered sites in Deschutes and Jefferson Counties. The sites are small, consisting of an average of three (3) units per site.

All sites are occupied by primarily Very Low Income and Extremely Low Income families.

All developments are located in higher income (low poverty rate) census tracts, with poverty rates ranging from 5.6% to 17.5%.

At this time it appears that there is no concentration of poverty in CORHA's Public Housing Developments, although it would continue to be beneficial to mix higher income families into its sites. CORHA will continue to monitor the incomes of all Public Housing families, and will strive to house higher income families as appropriate.

CORHA currently administers 48 units of Public Housing of which 20 units are designated for the elderly, disabled and handicapped. In a review of our tenant roster it appears that only 5 families may currently fall under the new Community Service requirement.

Each adult resident of CORHA's Public Housing units shall:

Contribute 8 hours per month of community service (not including political activities) within the community in which that adult resides; or

Participate in an economic self-sufficiency program for 8 hours per month.

Perform 8 hours per month of the combined activities.

CORHA will provide to residents a brochure of community service and volunteer opportunities available throughout the community and monitor their compliance to ensure the community service requirement is met by all qualifying residents.
