ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Quality Housing and Work Responsibility Act of 1998 (QHWRA) makes several changes in the way public housing is administered. QHWRA now requires public housing authorities to engage in short and long term planning in an effort to improve operations and make authorities more efficient. The agency's Annual and Five Year Plan incorporate goals and policies to insure an efficient and cost effective operation.

Following is a summary of each component of the Annual Plan:

Housing Needs

This section is a statement of the housing needs of the extremely low (below 30%), very-low (30-50%) and low-income (50-80% of median income) residents of the City of Altoona. We administer 536 Public Housing apartments, 12 home ownership units, and 917 Section 8 Certificates, Vouchers and Mod Rehab units.

An examination of current occupancy levels and waiting list information shows a majority of families with incomes below 30% of median income. This illustrates a need to maintain quality affordable housing choices for these families.

Financial Resources

Currently, we have sufficient financial resources to maintain the operation of the Housing Authority. We have been able to adjust to the fluctuations in HUD funding regulations and maintain a consistent level of operation. As occupancy levels have increased in the Section 8 program we have become concerned that HUD funding levels are not sufficient to maintain the level of certificates and vouchers previously awarded. Staff will closely monitor this situation in the future.

Policies Governing Eligibility, Selection, Admissions

This section outlines our policies for 1) eligibility of applicants for Public Housing and Section 8 rental assistance; 2) selection process and waiting list maintenance for Public Housing and Section 8 participants, and 3) continued occupancy of Public Housing and Section 8 apartments.

Although the regulations allow the development of site-based waiting lists we do not meet the established criteria, nor would we benefit from site-based waiting lists. Also, a review of local conditions for current residents and applicants do not warrant a de-concentration policy.

Rent Determination

Public Housing residents are now able to choose between income based or flat rate rents, we have determined that ceiling rents are not necessary at this time. The flat rent option should help with our occupancy issues by making our apartments less expensive than comparable subsidized apartments in the community. Our minimum rent will be maintained at the current \$50.

Operations and Management

This section addresses relevant rules, standards and policies governing maintenance and management of the housing owned, assisted or operated by the Authority.

Grievance Procedures

This section outlines the grievance procedures available to residents and applicants. Our grievance procedure has been reviewed and updated.

Capital Improvements

The Altoona Housing Authority has been diligent in maintaining a high standard of quality for all of the properties it owns and manages. This section includes a copy of our Capital Fund Grant Application. The application indicates total needed improvements exceed \$7.0 million, while annual funding is limited to \$765,000. The Capital Fund replaces the Comprehensive Grant Program. The Annual Statement HUD-52837 and 5 year action plan are included.

Demolition and/or Disposition

We are not proposing the demolition or disposition of any of our existing public housing apartments nor will we be applying for Hope VI funding.

Designation of Public Housing

The Green Avenue and Eleventh Street Towers have previously been designated as "Elderly Only". This designation has helped to stabilize the resident population in both buildings and we are proposing that this designation be extended.

Conversion of Public Housing

Analysis of housing stock does not indicate need to convert additional public housing units beyond those units currently approved for conversion from efficiency to one bedroom apartments in the Green Avenue Tower.

Homeownership

The Altoona Housing Authority has been successful in developing home ownership opportunities for our residents through a Section 5(h) Homeownership Plan. Seventy-two houses were developed for home ownership for low-income families. Sales proceeds will be utilized to develop additional housing opportunities.

Community Service and Self Sufficiency

This section outlines our coordination efforts with the Department of Public Welfare and other agencies providing services and assistance to residents to gain self-sufficiency.

Safety and Crime Prevention

This section outlines our strategy for safety and crime prevention to ensure the safety of our residents.

We are planning to continue our relationship with the Altoona Police Department and have received Public Housing Drug Elimination Program (PHDEP) funds to expand the police presence in the community and provide prevention activities for the children of the community.

Additional regulations require submission of our PHDEP Strategy with this document. The required descriptions and funding requests are included.

Ownership of Pets in Public Housing

The Altoona Housing Authority has developed a Pet Policy in accordance with the regulations and guidelines proved by HUD. All public housing residents may now own pets, as defined by the policy.

Civil Rights Certification

This section of the plan contains the necessary Civil Rights Certifications indicating that we will carry out our Plan in compliance with all applicable civil rights requirements and that we will affirmatively further fair housing.

Most Recent Fiscal Year Audit

This section of our Plan contains a copy of our most recent fiscal year audit. We received an unqualified opinion for this year's audit.

Asset Management

The Authority previously established policies to effectively manage the Authority's assets.

- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program

Factors to be considered would include, public housing occupancy and impact of additional Section 8 vouchers on public housing occupancy, occupancy level of existing Section 8 vouchers and length of time required by Section 8 applicants to find suitable housing.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available

Each adult family member who is not exempt from this requirement, must contribute 8 hours per month or a total of 96 hours per year of community service in order to be in compliance with the Community Service Policy.

III. EXEMPTIONS

The following adult family members are exempt from this requirement if any of the following apply:

1. Individual is 62 years or older;
2. (1) Individual is a blind or disabled individual as defined under 216(i)(1) or 1614 of the Social Security Act (42 USC 416(i)(1); 1382c), and who certifies that because of this disability she or he is unable to comply with the service provisions of this subpart, or (2) Individual is a primary caretaker of such individual;
3. Individual is engaged in work activities;
4. Individual meets the requirements of being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 USC 601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program;

These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work.

IV. NOTIFICATION OF THE REQUIREMENT

The Altoona Housing Authority shall identify all adult family members who are apparently exempt from the community service requirement.

The Altoona Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Altoona Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after July 1, 2001. For families paying a flat rent, the obligation begins on their lease renewal date. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

V. VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the community that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident.

The Altoona Housing Authority will coordinate with social service agencies, local schools and the Department of Public Welfare in identifying a list of volunteer community service positions in order that non exempt residents comply with this act.

The Family Service Coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- D. Ninety (90) days before the family's next lease anniversary date, the Family Service Coordinator will advise the Altoona Housing Authority whether each applicable adult family members is in compliance with the community service requirement.

member(s) agrees to enter into an economic self sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12 month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self sufficiency program or falls behind in their obligation under the agreement to perform community service, the Authority shall take action to terminate the lease.

D. Executive Summary of Annual PHDEP Plan

In the space below, provide a brief overview of the PHDEP Plan, including highlights of major initiatives or activities undertaken. It may include a description of the expected outcomes. The summary must not be more than five (5) sentences long

The Altoona Housing Authority has developed a strategy to reduce drug abuse and drug related crime by expanding its Stop and Talk Community Policing program and providing enhanced on-site services for residents. An expanded agreement with the City of Altoona would provide a second community officer and more hours of police coverage. On-site services would include after-school programs for youth and programs that provide recreational activities for children and parenting education for their parents. Additional programs also feature a collaboration with the Blair County Office of Human Services to offer early intervention to at-risk families with very young children.

E. Target Areas

Complete the following table by indicating each PHDEP Target Area (development or site where activities will be conducted), the total number of units in each PHDEP Target Area, and the total number of individuals expected to participate in PHDEP sponsored activities in each Target Area.

PHDEP Target Areas (Name of development(s) or site)	Total # of Units within the PHDEP Target Area(s)	Total Population to be Served within the PHDEP Target Area(s)
PA031-001 Fairview Hills	96	250
PA031-005 Fairview Hills	30	100
PA031-016 Fairview Hills	24	75

F. Duration of Program

Indicate the duration (number of months funds will be required) of the PHDEP Program proposed under this Plan (place an "x" to indicate the length of program by # of months. For "Other", identify the # of months).

G. PHDEP Program History

Indicate each FY that funding has been received under the PHDEP Program (place an “x” by each applicable Year) and provide amount of funding received. If previously funded programs have not been closed out at the time of this submission, indicate the fund balance and anticipated completion date. For grant extensions received, place “GE” in column or “W” for waivers.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The Altoona Housing Authority wishes to extend a contract with the Altoona Police Department to continue funding a second Community Officer. The officer will provide community policing help beyond that called for in the Cooperation Agreement with the City of Altoona and the current agreement that calls for one officer. The increased staffing of this program will continue to improve the coverage and favorable resident relationships that have already been established.

This year, the Altoona Housing Authority plans to continue the After-School Enrichment Program to provide young authority residents a safe place to come after school where they can get help with their homework as well as enjoy organized recreational activities.

The Altoona Housing Authority has developed a collaboration with the Altoona Hospital Drug and Alcohol Program to provide an activity that will give children a fun recreational opportunity and at the same time provide their parents with a chance to improve their parenting skills.

The Altoona Housing Authority has created a collaborative effort with the Blair County Office of Human Services to work with twenty Altoona Housing Authority resident families with children under the age of five. This program will provide intensive one-on-one services and will teach parenting skills.

D. Executive Summary of Annual PHDEP Plan

In the space below, provide a brief overview of the PHDEP Plan, including highlights of major initiatives or activities undertaken. It may include a description of the expected outcomes. The summary must not be more than five (5) sentences long

The Altoona Housing Authority has developed a strategy to reduce drug abuse and drug related crime by expanding its Stop and Talk Community Policing program and providing enhanced on-site services for residents. An expanded agreement with the City of Altoona would provide a second community officer and more hours of police coverage. On-site services would include after-school programs for youth and programs that provide recreational activities for children and parenting education for their parents. Additional programs also feature a collaboration with the Blair County Office of Human Services to offer early intervention to at-risk families with very young children.

E. Target Areas

Complete the following table by indicating each PHDEP Target Area (development or site where activities will be conducted), the total number of units in each PHDEP Target Area, and the total number of individuals expected to participate in PHDEP sponsored activities in each Target Area.

PHDEP Target Areas (Name of development(s) or site)	Total # of Units within the PHDEP Target Area(s)	Total Population to be Served within the PHDEP Target Area(s)
PA031-001 Fairview Hills	96	250
PA031-005 Fairview Hills	30	100
PA031-016 Fairview Hills	24	75

F. Duration of Program

Indicate the duration (number of months funds will be required) of the PHDEP Program proposed under this Plan (place an "x" to indicate the length of program by # of months. For "Other", identify the # of months).

6 Months _____ **12 Months** X **18 Months** _____ **24 Months** _____ **Other** _____

G. PHDEP Program History

Indicate each FY that funding has been received under the PHDEP Program (place an “x” by each applicable Year) and provide amount of funding received. If previously funded programs have not been closed out at the time of this submission, indicate the fund balance and anticipated completion date. For grant extensions received, place “GE” in column or “W” for waivers.

Fiscal Year of Funding	PHDEP Funding Received	Grant #	Fund Balance as of Date of this Submission	Grant Extensions or Waivers	Anticipated Completion Date
FY1999	\$124,706	PA28DEP0310199	\$124,706	N/A	
FY 2000	\$129,969	PA28DEP0310100	\$129,969	N/A	

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The Altoona Housing Authority wishes to extend a contract with the Altoona Police Department to continue funding a second Community Officer. The officer will provide community policing help beyond that called for in the Cooperation Agreement with the City of Altoona and the current agreement that calls for one officer. The increased staffing of this program will continue to improve the coverage and favorable resident relationships that have already been established.

This year, the Altoona Housing Authority plans to continue the After-School Enrichment Program to provide young authority residents a safe place to come after school where they can get help with their homework as well as enjoy organized recreational activities.

The Altoona Housing Authority has developed a collaboration with the Altoona Hospital Drug and Alcohol Program to provide an activity that will give children a fun recreational opportunity and at the same time provide their parents with a chance to improve their parenting skills.

The Altoona Housing Authority has created a collaborative effort with the Blair County Office of Human Services to work with twenty Altoona Housing Authority resident families with children under the age of five. This program will provide intensive one-on-one services and will teach parenting skills.

Section 8 Homeownership Capacity Statement

The Altoona Housing Authority has successfully implemented several homeownership programs in the City of Altoona. Currently, we are implementing a Section 5(h) program that included 60 existing homes that were rehabilitated and 12 new construction homes. Fifty-nine of these home have been sold to participating families. Our successful implementation of the 5(h) program indicates that we have the capacity to implement homeownership programs to benefit the community.

The Section 8 Homeownership Program; Final Rule issued September 12, 2000 provides another avenue for low-income families to utilize to purchase their home. Our goal is to develop a small Section 8 Homeownership Program in compliance with the September 12 Final Rule.
