Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Year 2001 PHDEP funds will be used to fund drug education and prevention activities in the Authority's twelve family developments over a two-year period (2002/2003). The overall objectives are to rid developments of drug related and violent crime through drug education programs, drug prevention programs, programs that offer positive alternatives for young people and programs that enhance employability. The Authority works with and through a number of community agencies, among them the ARK Learning Center (drug prevention programs); Family Service Association (parenting); Commission on Economic Opportunity (computer classes); Boys and Girls Clubs (management of Family Enrichment Centers and on-site programming); and YMCA (camperships and day camp). Programs are monitored through review of output measures and evaluation through measures such as pre-post tests, resident satisfaction surveys, childrens' attitude and grade improvements and feedback from project managers and police departments.
