ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Tullahoma Housing Authority has completed this Agency Plan in consultation with both our residents, and the local community. The public is provided with an opportunity to review the plan and offer comments at a public hearing to be held on May 17, 2001. The Annual Agency Plan is summarized as follows:

1. Housing Needs
Our current waiting list holds 101 applicants. Our greatest demand is for 1 bedroom units with 50% of our applicants on that list. 28% of our applicants are waiting for a 2 bedroom apartment, and 22% are on the 3 bedroom list. THA does not have any current plans to expand it's housing stock.
2. Financial Resources
Tullahoma Housing Authority expects to expend approximately \$2,000,000.00 in FY 2002 for Operations, Capital Improvements and administrative costs.
3. Eligibility, Selection and Admission Policies
The ACOP, Lease and all related policies have been revised to comply with the requirements of the Quality Housing and Work Responsibility Act (QHWRA). These revisions address de-concentration and income mixing, thereby encouraging higher income families in the developments. Although THA has provided incentives for higher income families, the majority of our applicants are from the very low and extremely low income levels. All policies are reviewed on a regular basis.

4. Rent Determination – Discretionary Policies
The THA has had ceiling rents in place since 1989. They are set at \$244 for a one bedroom, \$287 for a two bedroom, \$359 for a three bedroom, and \$402 for a four bedroom apartment. Our minimum rent is \$30.00 for public housing and \$25.00 for Section 8 Rental Assistance. Our Section 8 Payment Standard is at 110% of FMR.
5. Operations and Management
All policies have been revised to comply with all mandated requirements of the QHWRA. THA has repeatedly changed companies and methodologies in its pest control efforts. Recent adoption of a new approach has netted extraordinary results in our ongoing efforts to reduce and eliminate pests, including cockroaches.
6. Grievance Procedure
The THA Grievance Procedures have been recently revised to comply with the QHWRA.
7. Capital Improvements
Our projected funding under the Public Housing Capital Program is \$450,000.00. Our focus for the FY 2001 program year will be general modernization improvements primarily in projects TN024-004 and TN024-005.
8. Demolition and/or Disposition
THA has no current plans for demolition or disposition.
9. Designation
THA has the following apartments designated for the elderly and/or disabled:
Autumn Manor - TN024-004 - 58 units
Cedar Lane - TN024-005 - 28 units
Whispering Oaks - TN024-006 - 11 units
10. Conversion of Public Housing
THA has no current plans to designate any developments or buildings to tenant-based assistance.
11. Homeownership
THA has no current plans to develop a Homeownership Program. However, information and referrals are provided for our residents.
12. Community Services and Self-Sufficiency Programs
THA has adopted and implemented a Community Service policy that requires each adult, non-exempt family member to perform 8 hours of Community Service each month. THA has a very active and wide-ranging Resident Services program

that includes activities to provide greater economic self-sufficiency through the State's "Families First" welfare to work program.

13. Safety and Crime Prevention
Safety and Crime Prevention for THA is primarily funded through the Public Housing Drug Elimination Program, and services will continue being provided in accordance with the amount of funds received. If these funds are lessened or eliminated, the amount of services will be reduced accordingly. THA utilizes a two-pronged approach by offering a wide array of anti-drug/anti-crime related programs, combined by employing a full-time police officer to work in our developments. A detailed breakdown of these activities can be found in the attached PHDEP template.
14. Ownership of Pets
THA has developed a pet policy that is in compliance with QHWRA requirements.
15. Civil Rights Certification
We have included the required certification regarding Fair Housing and Civil Rights in this Plan.
16. Annual Audit
Our most recent annual audit for fiscal year 2000 is on file at our local HUD office in Nashville, Tennessee, and is available for review at our main office during normal business hours.
17. Asset Management
It is the goal of THA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement. All applicable policies and procedures are in place to achieve this goal.

If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a point system), place the same number next to each. That means you can use "1" more than once, "2" more than once, etc.

6 Date and Time

Former Federal preferences:

- 2 Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
- 3 Victims of domestic violence

(6) Deconcentration and Income Mixing

a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.

b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

Deconcentration Policy for Covered Developments			
Development Name:	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]
Dossett Homes	88	See following text (6) c.	Yes – Policy contained in ACOP.
Whispering Oaks	40	See following text (6) c.	Yes – Policy contained in ACOP

c. Both Dossett Homes and Whispering Oaks have average resident incomes that fall outside the established income range. Dossett average income is at 72% of the PHA-wide average, and Whispering Oaks average income is at 130% of the PHA-wide average. Dossett Homes is one of our oldest apartment complexes and is situated in a very run-down section of town. Even though the units are well maintained, we experience a large number of turn-downs, especially among working families. In contrast, Whispering Oaks is a much newer complex, and is located in a pleasant location on the outskirts of town.

In order to address this problem, and maintain a good mix of families within our housing neighborhoods, we have taken the following steps:

- We have removed Federal Preferences for housing priority, some of which catered more to our lowest income families on the waiting list.
- We have established Local Preferences, to include working families and families on disability payments as a priority over other families on the waiting list, allowing us to house the working families faster.
- We participate in the “Families First” program with the State DHS office, allowing exclusions of work-related income for an eighteen month period for families on that program. This helps to keep working families in our housing communities for a longer period of time after they go to work.
- We have been using Ceiling Rents since 1989. This prevents our working families from being priced out of public housing as their income rises.
- We have adopted a Deconcentration Policy which is included in our Admissions and Continued Occupancy Policy (ACOP).

Finally, as noted under Capital Improvement Needs in Component 7 of this plan, a major interior/exterior renovation project has been programmed for Dossett Homes. It is hoped that major modernization improvements will encourage applicant families whose income is above the Established Income Range to accept units in this development.

D. Other Information Required by HUD

Use this section to provide any additional information requested by HUD.

DEFINITION OF SUBSTANTIAL DEVIATION and SIGNIFICANT AMENDMENT or MODIFICATION

In accordance with the Final Public Housing Agency Plans Regulations, 24 CFR Part 903, Section 903.7 ® (2), the PHA establishes the following basic criteria for a "substantial deviation" and "significant" amendment or modification.

1. The THA will consider a "substantial deviation" to be a change in the Mission, Goals, and Objectives of the PHA Plans that is duly determined by the board of Commissioners and the Resident Advisory Board to be a deviation from the latest approved PHA Plans. If the Board of Commissioners and the Resident Advisory Board considers the change(s) in the Mission, Goals, and Objectives to be substantial, in their determination, the Plans will be submitted to HUD for review and approval.
2. In addition, if there is a change in funding of greater than 20 percent of the Operating Budget and/or Capital Fund amount, this will be considered an amendment/modification to the Plans, except for emergencies that are beyond the control of the PHA. If the item/activity is included in the 5-year Capital Improvements Program, it will not be considered a significant change although the cost may exceed the 20 percent threshold; therefore, not requiring HUD review and approval.

The program consists of three major components: Drug Prevention/Intervention, Voluntary Tenant Patrol, and Community Oriented Policing (COP). Prevention/intervention programs will focus on education/job training skills for youth and adults as well as drug prevention programs and activities. Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Tulahoma Drug Free Neighborhoods program utilizes a combination of Community Oriented Policing and Drug Prevention/Intervention Programs to address the needs of our target population. Although all of the proposed activities will address the needs of the existing five housing authority communities, some programs may target a specific neighborhood if a disproportionately high amount of drug-related crime begins to occur. Our goals are to reduce drug-related crime through Community Oriented Policing and discouraging drug-related activity through effective prevention/intervention programs. We have numerous partners to assist in our prevention/intervention efforts: Tulahoma School System, Motlow Community College, Tulahoma Police Department, Drug Task Force Committee, Family Resource Center, Coffee County Health Council, Parents as Teachers (PAT), Motlow Career Placement Center, Attic Outlet, U.T. Agricultural Extension, and Adolescent Prevention Initiative. Tulahoma Housing Authority plans to use quantitative and qualitative measures to assess its progress towards achieving goals of programs. Several tools will be used to gauge the residents’ perception of the grants effectiveness such as the annual residents’ survey, needs assessments, and the DETAP recommendations. Resident organizations, THA staff, & TPD will periodically evaluate all programs. Necessary modifications will be made to improve all programs and their effectiveness.

**BRIEF STATEMENT OF PROGRESS IN MEETING THE 5-YEAR PLAN
MISSION AND GOALS**

Tulahoma Housing Authority consistently accomplishes its Mission by providing decent, safe, and sanitary housing for very low-income families while maintaining their rent payments at an affordable level. We promote fair housing and the opportunity for low and very low-income families of all ethnic backgrounds to live in an environment free from discrimination. We also actively promote economic self-sufficiency by providing numerous services and programs, as detailed in section 12 of this plan.

Our occupancy has exceeded 95 percent for the past year, and we are nearing our goal of reducing and maintaining vacancies to less than 2 percent. Our resident participation has increased over the past year, and resident satisfaction, as measured by our annual RASS survey, has increased as well. Our Section 8 Voucher payment standards have been increased to 110 percent over the past year, which increases opportunity under the Section 8 program.

The quality of life and economic vitality of our communities has improved due in large part to both the law enforcement activities, and educational activities provided under our PHDEP grant. Adopting a local preference for working families has also stimulated economic vitality.
