[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Our Annual Plan is based on the premise that if we accomplish our goals objectives we will be working toward the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach toward our goals and objectives and are consistent with the consolidated plan. Here are just a few highlights of our Annual Plan:

We have retained three (3) federal preferences for applicants who are without housing due to fire, flood, etc., paying more than 50% of income for rent, also we have a preference for working families.

We have implemented an aggressive screening policy for public housing to ensure that new admissions will be good neighbors. Our screening practices will meet all fair housing requirements.

We have implemented a deconcentration policy.

Applicants will be selected from the waiting list by preference and in order of the date and time they applied.

We have established a minimum rent of \$38.00.

In Summary, it is the authority's desire to improve the condition of affordable housing in Humboldt.

## **Progress Statement in Meeting 5 Year Plan Mission and Goals**

The Humboldt Housing Authority continues its mission to provide decent, safe, sanitary and affordable housing to our community in a non-discriminatory manner.

The Authority presently maintains its goal of being a standard or high performer. In addition, the authority continues to work with the City of Humboldt Police Department in providing a safe environment for our residents. The Police Department reports any known drug crimes to the authority. The authority in turn evicts all applicable participants. The maintenance staff continues to secure apartments during their normal work routines.

The 1999 Comp Grant Program has recently been completed with the attractive renovation of (4) four units. A policeman lives in one of these units. Due to the late approval of 2000 Capital Fund our plan remains in the contractual stage.

The Humboldt Housing Authority Work and Learn Program is a continuation from our previous Public Housing Drug Elimination Program. In our previous Public Drug Elimination Grant we have helped over 60 low income children in four of our developments improve on basic learning skills and emphasized the value of hard work through small jobs in and around the housing authority. We have has an overwhelming interest from our residents regarding their children's participation in this year's program. Without this funding we will not be

able to have this program. We hope to expand the program from basic learning skills to computer lab, basic life skills, financial and budgeting skills to include as well more of our adult population in this new Work and Learn Program phase.
