ATTACHMENT A

DE-CONCENTRATION POLICY:

The objective of the WHA is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of WHA is that no less than 40% of families admitted to public housing must have incomes at or below 30% of the area median income by public housing development. WHA will take actions to achieve goals that no individual development has a concentration of higher income families. To ensure that WHA does not concentrate families with higher or lower income levels in any one development WHA will track the status of family income, by development, on a monthly basis utilizing reports generated by the WHA computer system.

To accomplish the de-concentration goals, the WHA will take the following actions:

1. At the beginning of each fiscal year, the WHA will establish a numerical goal for admission of families whose income are at or below 30% of the area median income. The target annual goal will be calculated by taking 40% of the total number of move ins from the previous year.
2. The WHA will limit the number of admissions to any one development to ensure that not less than 40% of admissions are families with incomes at or below 30% of the area median income.
3. The WHA will skip applicants on the waiting list or skip developments to accomplish these goals. However, "WHA will no hold units vacant to accomplish these goals".

ATTACHMENT B:

Definition of Substantial Deviation

PHA's definition of "Significant Amendment or Substantial Deviation" from its 5-Year and Annual Plans:

1. Changes to rent or admissions policies or organization of the waiting list.
2. Addition of non-emergency work, items (items not included in the Annual Statement or 5-Year Action Plan) or a change in the use of replacement reserve funds under the Capital Fund.
3. Any change with regard to demolition or disposition, designation, or homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements.

Attachment C –

SECTION I.

1. Pet Ownership: A Tenant may own one or more common household pets or have one or more common household pets present in the dwelling unit of such tenant, subject to the following conditions:
 - A. Each Head of Household may own up to two pets. If one of the pets is a dog or a cat, (or other four legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animals, other than fish, shall be counted as one pet.
 - B. If the pet is a dog or cat, it must be neutered/spayed by the age of six (6) months, and cats must be declawed by the age of three (3) months. The evidence can be provided by a statement/bill from a veterinarian and/or staff of the humane society. Tenant must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Tenant shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed 10 pounds (fully grown) and a dog may not exceed 20 pounds in weight (fully grown). All other four legged animals are limited to 10 pounds (fully grown).
 - C. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.
 - D. If the pet is a fish, the aquarium must be 20 gallons or less, and the container must be placed in a safe location in the unit. The Tenant is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and non-hazardous manner.
 - E. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provide by a statement/bill from veterinarian or staff of the humane society and must be provided by a statement/bill from veterinarian or staff of the humane society and must be provided before the execution of this agreement.

- F. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken out on a leash and kept off other Tenants' lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked-up immediately and transported to the Humane Society or other appropriate facility.
- G. All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult. Pets which are unleashed, or leashed and unattended, on HA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also if a member of the HA staff has to take a pet to the Humane Society, the Tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.
- H. Pet(s) may not be left unattended for more than 24 consecutive hours. If it is reported to HA staff that a pet has been left unattended for more than a 24-hour consecutive period, the HA staff may enter the unit and transfer the pet to the Humane Society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the Tenant. In the case of an emergency, the HA will work with the resident to allow more than 24 hours for the resident to make accommodations for the pet.
- I. Pet(s) must be weighted by a veterinarian or staff of the Humane Society. A statement containing the weight of the pet must be provided to the HA prior to the execution of this agreement and upon request by the HA

NOTE: Any pet this is not fully grown will be weighed every six months. Also, any pet that exceeds the weight limit at any time during occupancy will not be an eligible pet, and must be removed from HA property.

- 2. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this Pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant and unsanitary odor from being in the unit.
- 3. Prohibited Animals: Animals or breeds of animals that are considered by the HA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, Rottweilers, Doberman Pinscher, Pit Bulldog, and/or any animal that displays vicious behavior. This determination will be made by a HA representative prior to the execution of this lease addendum.
- 4. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms, "disturb, interfere or diminish" shall include, but not be limited to, barking, howling, chirping, biting, scratching and other like activities,. This includes any pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently of one-half hour or more and therefore disturbs any person at any time of the day or night. The Housing Manager will terminate this authorization if a pet disturbs other tenants under this section of the lease addendum. The Tenant will be given one week to make other arrangements for the care of the pet or the dwelling lease will be terminated.

5. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the Tenant, in writing, that the animal must be removed from the Public Housing Development, within 10 days of the date of the notice from the HA. The Tenant may request a hearing, which will be handled according to the HA's established grievance procedure. The pet may remain with the Tenant during the hearing process unless the HA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.
6. The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside, it must be on a leash at all times. If there is any visible waste by the pet, it must be disposed of in a plastic bag, securely tied and placed in the garbage receptacle for their unit. If the HA staff is required to clean any waste left by a pet, the Tenant will be charged \$25 for the removal of the waste.
7. The Tenant shall have pets restrained so that maintenance can be performed in the apartment. The Tenant shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Tenant shall be charged a fee of \$25.00. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers or by HA staff and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at their expense. Also, if a member of the HA staff takes a pet to the Humane Society, the Tenant will be charged an additional \$50 to cover the expense of taking the pet(s) to the Humane Society. The HA shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.
