ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Erwin Housing Authority has completed this Agency Plan in consultation with EHA residents and the local community. The Plan was discussed with the Resident Advisory Board on July 17, 2000 and August 18, 2000. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on October 5, 2000. The Annual Agency Plan is summarized as follows:

1. Housing Needs
Although our current waiting list is not excessive, the demand for public housing is evident. Our greatest demand is for small bedroom units (1 and 2 bedroom units).
2. Financial Resources
The EHA expects to expend approximately \$437,000 in the year 2001 for operations, capital improvements and administrative costs.
3. Eligibility, Selection and Admission Policies
The EHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations

published in the Federal Register on March 29, 2000. These policies will be updated as HUD issues further guidance.

As required under this section of the plan, the EHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low-income families. Further, we have revised our admission policy to assure that a concentration does not occur in the future.

4. Rent Determination-Discretionary Policies

Our discretionary rent policies include:

- ✓ Ceiling Rents
- ✓ \$50.00 minimum rent for Public Housing

5. Operations and Management

As a small PHA, the EHA is exempt from this component of the PHA Plan. However, the EHA's policies have been revised to comply with the mandated requirements of the QHWRA.

6. Grievance Procedure

The EHA has revised its Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected funding under the Capital Fund Program is \$124,289. Our focus for the 2001 program year is to install new roofing, provide new playground and landscaping, perform electrical upgrades, provide additional parking, install dryer vents and replace bathroom vents in Development TN081-001 and provide landscaping in Development TN081-003.

8. Demolition and/or Disposition

The EHA has no current plans for demolition or disposition.

9. Designation
The EHA plans to maintain the current elderly/disabled designation that applies to a portion of its units. The EHA has no plans to designate additional units in the future.
10. Conversion of Public Housing
The EHA has no current plans to designate any developments or buildings to tenant-based assistance.
11. Homeownership
The EHA has no current plans to develop a Homeownership Program.
12. Community Services and Self-Sufficiency Programs
As a small PHA, the EHA is exempt from this component of the PHA Plan. However, the EHA has adopted a policy relative to the community service requirement mandated by the QHWRA through regulations published in the Federal Register on March 29, 2000. A description of the EHA's community service requirement is shown in Attachment B: "Implementation of Public Housing Resident Community Service Requirement".
13. Safety and Crime Prevention
As a small PHA not participating in the Public Housing Drug Elimination Program (PHDEP), the EHA is exempt from this component of the PHA Plan.
14. Ownership of Pets
The EHA has a policy related to tenant-owned pets. This policy permits all EHA residents to own pets as recently mandated by the QHWRA through regulations published in the Federal Register on July 10, 2000 and subject to compliance with specific requirements of EHA's pet lease.
15. Civil Rights Certification
We have included the required certification regarding Fair Housing and Civil Rights in this plan.

16. Annual Audit

Our most recent annual audit for fiscal year 1999 is on file at our local HUD office in Knoxville, Tennessee and is available for review at our main office during normal business hours.

17. Asset Management

As a small PHA, the EHA is exempt from this component of the PHA Plan.

Attachment B

“Implementation of Public Housing Resident Community Service Requirements”

- a. The 1998 Quality Housing and Work Responsibility Act of 1998 requires that nonexempt residents of public housing perform community service. HUD states that the provision is not intended to be perceived as punitive, but rather considered as rewarding activity that will assist residents in improving their own and their neighbors' economic and social well-being and give residents a greater stake in their communities.
- b. In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service or (2) participate in an economic self-sufficiency program, or a combination of the two, unless they are exempt from this requirement.
- c. Exempt individual
The following adult family members of tenant families are exempt from this requirement.
An adult who:
 - (1) Is 62 years or older;
 - (2) Is a blind or disabled individual, as defined under the Social Security Act, and who certifies that because of this disability she or he is unable to comply with the community service requirements.
 - (3) Family members who are the primary care giver for someone who is blind or disabled as set forth above.
 - (4) Family members engaged in work activity.
 - (5) Family members who are exempt from work activity under Part A of Title IV of the Social Security Act or under any other State welfare program, including the Welfare to-Work program.
 - (6) Is a member of a family receiving assistance, benefits or services under a State program funded under Part A of Title IV of the Social Security Act or under any other State welfare program including Welfare-to-Work and who are in compliance with that program.
- d. All families will be given a written description of the service requirement, and of the process for claiming status as an exempt person. This will include the PHAs determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The PHA will provide a form to any family members requesting exemption from the service and will advise the member what documentation is required to support the exemption. The PHA will approve or deny the request for exemption within 30 days from receipt of a request that includes required documentation. A family member may request an exempt status at anytime.

- e. The PHA will provide a listing of qualifying community service or self-sufficiency activities that will meet this requirement. This list may be updated by the PHA at anytime. Each nonexempt family member will be given a community service time sheet to track the monthly volunteer hours. A supervisor must sign and date each period of work. If qualifying activities are administered by an organization other than the PHA, a family member who is required to fulfill a service requirement must provide signed community service time sheets certifying to the PHA by such other organization that the family member has performed such qualifying activities.
- f. The PHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve month lease term. The PHA must retain reasonable documentation of service requirement performance in tenant files.
- g. If the PHA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (noncompliant resident), the PHA must notify the tenant of this determination. The PHA notice to the tenant must:
 - (1) Briefly describe the noncompliance;
 - (2) State that the PHA will not renew the lease at the end of the twelve month lease term unless;
 - (a) The tenant, and any other noncompliant resident, enter into a written agreement with the PHA, in the form and manner required by the PHA, to cure such noncompliance, and in fact cure such noncompliance in accordance with such agreement; or
 - (b) The family provides written assurance satisfactory to the PHA that the tenant or other noncompliant resident no longer resides in the unit.
 - (3) State that the tenant may request a grievance hearing on the PHA determination, and the tenant may exercise any available judicial remedy to seek timely redress for the PHA's nonrenewal of the lease because of such determination.
- h. If the tenant or another family member has violated the service requirement, the PHA may not renew the lease upon expiration of the term unless:
 - (1) The tenant, and any other noncompliant resident, enter into a written agreement with the PHA, in the form and manner required by the PHA, to cure such noncompliance by completing the additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the twelve-month term of the new lease, and
 - (2) All other members of the family who are subject to the service requirement are currently complying with the service requirement or are no longer residing in the unit.
- i. In implementing the service requirement, the PHA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by PHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

If damage is less than the deposit, then balance will be refunded to tenant.
14. Amount of Pet Deposit \$50.00. Tenants who have previously received permission from the Housing Authority to keep a pet, who are in compliance with the Pet Policy, and who have paid the Pet Deposit prior to the revised Pet Policy, will not be required to pay an additional amount.
15. The Housing Authority has an option to house or transfer tenants with pets to same building or general area with other pet owners, if feasible.
16. This Pet Policy shall not conflict with State or Local Law or Regulations. If such a conflict exists, then the State or Local Law or Regulations shall apply.

Attachment G “Resident Survey Action Plan”

Safety

The Erwin Housing Authority has performed various improvements in an effort to alleviate the safety concerns of our residents. These improvements have consisted of requiring guests using the Authority’s playground/basketball court to check-in; installing a fence around the playground with the gate being locked at 8:00 p.m. and hiring a custodian to oversee the playground area. Additional efforts undertaken by the EHA was surveying all residents to determine their concerns. Most requested better police response time in which the EHA has contacted the police department to address this concern.

Neighborhood Appearance

The Erwin Housing Authority has appropriated FFY 1999 and 2000 Capital Funds for performing various improvements to enhance the neighborhood appearance of their developments. Such improvements have included landscaping, painting building exteriors, planting grass, adding new mulch, and removing dead trees and stumps.

ERWIN HOUSING AUTHORITY DECONCENTRATION POLICY

It is Erwin Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. The specific objective of the Erwin Housing Authority is to house no less than 40 percent of its public housing inventory with families that have incomes at or below 30 percent of area median income by public housing development. The Authority will also take action to insure that no individual development has a concentration of higher income families. To meet this objective, the Authority will skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

The Erwin Housing Authority will affirmatively market public housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments. The Authority will not, if at all possible, house families with incomes that exceed 30 percent of area median income in developments that already have 60 percent or more households with incomes that exceed 30 percent of the area median income.

Prior to the beginning of each fiscal year, the Authority will analyze the income levels of families residing in each development, the income levels of census tracts in which the developments are located, and the income levels of the families on the waiting list. Based on this analysis, the Authority will establish a numerical goal for housing 40 percent of new admissions to families whose incomes are at or below 30 percent of the area median income. The annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous fiscal year. If necessary, the Authority will determine the level of additional marketing strategies and deconcentration incentives to implement to meet the objective of this policy.
