Attachment C

5-Year Plan Progress Statement

One primary goal of the Housing Authority is to reduce the number of vacancies, which has been an on-going problem of the authority for many years. Over the next five years we would like to reduce the number of vacancies by 20%. This past year has been a struggle for the authority in reaching this goal. The authority ran a broad radio campaign for a number of months in an attempt to reach higher income applicants, it raised its standard of unit readiness, has continued to install geothermal A/C to make the units more marketable, and has streamlined its application process in order to more quickly occupy the units. Through all these attempts, there was no decrease in the vacancy rate.

Another long term goal of the Housing Authority is to increase its PHAS score. This goal cannot be realized until the vacancy rate decreases, and the number of unit turn around days decrease.

Even though there was no movement towards achieving our goals this first year, we know that this is long term and feel confident that over the next few years our goals will come to fruition.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

As stated in previous Drug Elimination Grant applications, the Wichita Falls Housing Authority’s goal to reduce drug related crimes and drug activity in the housing authority centers on offering programs for the youth of our community and the hiring of off-duty police officers. Funding from this grant will help off set the operating costs of the three housing authority based Boys & Girls Clubs, provide Campfire after school programs and day camp scholarships, send 15 Boy Scouts to summer camp, and continue the Girl Scout program. The Housing Authority will also maintain the employment of 20 off-duty officers, two of which are bike officers to patrol the entire housing authority specifically during “peak” crime hours. To evaluate the effectiveness of the PHDEP funded programs, we will continue to analyze and compare crime reports, calls for service, “One Strike” evictions, resident surveys, and youth crime.
