Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Nixon has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on

display with this Plan. The Admissions and Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display.

At the present time the Nixon Housing Authority is improving the units through the Capital Funds program. Modernization is being finished on 7 vacant apartments and new kitchen cabinets are being installed in 23 of our 24 family units.

The PHA is working with TWC to develop communication to enable low income families to become self-sufficient.

The PHA is also endeavoring to raise our Phmap/Phas, and Semap scores and to become completely computerized and knowledgeable in submitting items on the internet in a timely manner, updating all policies, and entering them into the computer.

The Housing Authority of the City of Nixon is committed to meeting the housing needs of low income families and will use this plan to reach this destination.

Re: Progress Statement

The Nixon Housing Authority has met some goals of the 5-year action plan. We have improved the overall appearance of the apartments and surrounding areas. The parking lots have been paved and this enables the apartments and the office to be accessible by wheelchair. At the present time we are still working on updating all of our policies so that we are in compliance. Training and knowledge of the computer are still going on and overall management is working diligently to be current in all aspects of the Housing Authority. Our Work Order Logs, Rental Registers, and Vacancy Logs are up to date and in the computer, with back up.

Hopefully, the H.A. intends to be completely up to date by the end of the fiscal year.

Re: Initial Voluntary Conversion Assessment

The following information is for the Housing Authority of the City of Nixon
Development Name: TX175001-002

We have reviewed the subject development's operation as public housing, considered the implications of converting the public housing to tenant-based assistance, and concluded that the development does not meet the necessary conditions for voluntary conversion. Our analysis indicates that conversion of the development:

- 1) Will be more expensive than continuing to operate the development (or portion of it) as public housing.
- 2) Would not principally benefit the residents of the public housing development to be converted and the community, and
- 3) Would adversely affect the availability of affordable housing in the community.

If you have any questions, please call me at (830) 582-1433.

Sincerely,

Barbara Sue Hanson
