### **Brief Statement of Progress in meeting the Five Year Plan Mission and Goals**

The overall mission of the Palacios Housing Authority is to promote adequate and affordable housing, economic opportunity, and a suitable living environment without discrimination. Our strategic goals are: 1) to increase the availability of decent, safe and affordable housing in our community; 2) to ensure equal opportunity in housing for all; 3) to promote self-sufficiency and asset development of families and individuals, and 4) to improve community quality of life and economic vitality.

This mission is consistent with the goals and objectives of HUD and QHWRA. It makes clear that the Palacios Housing Authority has a role that extends beyond simply housing assistance. The housing provided must support families, neighborhoods, and economic self-sufficiency. Among other matters, it means that the Palacios Housing Authority will not provide housing which concentrates poverty or fosters dependence.

The Palacios Housing Authority has made improvements in Public Housing by installing Central Air Conditioning units in all 44 public housing units utilizing CFP monies. We have also purchased software that enables us to track work orders, make-ready and turnaround days as well as the capability to track emergency work orders.
