ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

This is the Five-Year Plan and Annual Plan for the Housing Authority of the City of Odessa. The Housing Authority's fiscal year begins October 1, 2001. The Five-Year Plan is for fiscal years 2001 thru 2005 and the Annual Plan is for fiscal year 2001-2002.

The Odessa Housing Authority administers **73 units of Public Housing**. There are **108 units of Section 8 New Construction-elderly**, **136 units of New Construction-Family**, and **975 Section 8 Certificates and Vouchers**.

The chart below shows the number of units by household type and bedroom size.

0-Br. 1-Br. 2-Br. 3-Br. 4-Br. 5-Br

Third Edition Public Housing	0	20	30	20	3	0
Landmark New Construction	0	104	4			
La Promesa New Construction	0	64	72			
Certificate/Voucher Program	5	185	396	418	57	3

A Board of Commissioners, consisting of five members appointed by the Mayor, oversees the agency. The Agency was established April 26, 1950.

The mission requires the Housing Authority to extend its role beyond housing assistance and develop programs which provide economic self-sufficiency to the families it serves. In addition to the above, the mission of the authority has the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

The Housing Authority plans to expand the supply of assisted housing by reducing the number of vacancies at its developments. The Housing Authority will try to reduce the current vacancy rate by 5 percent per year, thus providing housing assistance to a greater number of low income families.

The Housing Authority further intends to increase the number of working families residing in Public Housing units. Currently, only 10 percent of the families work. It is the goal of the Authority to increase that number to 25 percent over the next five years. We will accomplish this through a combination of flat rents, rent incentives, resident initiative programs, and by working closer with social service agencies to provide job training and employment opportunities.

Over the next five years, the Housing Authority will work with the Odessa Housing Consortium and implement a homeownership program. We plan to provide our Section 8 participants with the opportunity of buying their own home by subsidizing down payment assistance thru the consortium. Qualified families will be provided extensive counseling. They will also receive guidance in security down payment and financing.

The Agency has four primary sources of funding: operating capital fund, CIAP, Section 8, and Public Housing Drug Elimination Program grants.

With these funds, we propose to provide quality housing and opportunities for homeownership and self sufficiency for our clients.

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

- (3) The CHAS database does not contain a housing needs category for families with disabilities. However, the Special Needs section of the 2000 Consolidated Plan estimates that between 4,000 and 6,000 individuals in Odessa are living with some form of disability (including a mental illness.)
