[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Cumberland Plateau Regional Housing Authority is a medium PHMAP High-Performer agency located in Lebanon, Virginia. The CPRHA manages 309 units of public housing at seven developments.

*The mission of the CPRHA is:*

The Housing Authority is committed to excellence in providing quality housing and an environment which will ensure all residents opportunity, access to resources, and the expectation that our communities will be a safe, secure place to live and realize their potential.

To achieve the mission statement we will:

- Recognize residents as our ultimate customer;
- Improve Authority management and service delivery efforts through effective and efficient management of Authority staff;
- Seek problem-solving partnerships with residents, community, and government leadership; and
- Apply limited Authority resources to the effective and efficient management and operation of public housing programs.

*The CPRHA will accomplish its mission ideals through its goals and objectives:*

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.

- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To return vacated units with new residents in 20 days.
- H. To continue to enforce our "One Strike" policies for residents and applicants.
- I. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The CPRHA's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The CPRHA has assessed the housing needs of Lebanon and surrounding Russell area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium agency. The CPRHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The CPRHA has determined that its housing strategy complies with the state of Virginia's Consolidated Plan.

The CPRHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The CPRHA has established a minimum rent of \$0.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The CPRHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The CPRHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The CPRHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The CPRHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the CPRHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of CPRHA's Agency Plan to HUD on January 16, 2001.

4. Conversion of Public Housing
5. Homeownership

## **Attachment A: CPRHA Deconcentration Policy**

It is the policy of the Cumberland Plateau Regional Housing Authority to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the CPRHA is to house no less than forty percent (40%) of its inventory with families that have incomes at or below thirty percent (30%) of the area median income by public housing development. Also the CPRHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the CPRHA does not concentrate families with higher income levels, it is the goal of the CPRHA to not house more than sixty percent (60%) of its units in any one development with families whose income exceeds thirty percent (30%) of the area median income. The CPRHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the CPRHA's computer system.

To accomplish the deconcentration goals, the CPRHA will take the following actions:

- A. At the beginning of each fiscal year, the CPRHA will establish a goal for housing forty percent (40%) of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking forty percent (40%) of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
  - 1. Housing not less than forty percent (40%) of the CPRHA inventory on an annual basis with families that have incomes at or below thirty percent (30%) of area median income; and
  - 2. Not housing families with incomes that exceed thirty percent (30%) of the area median income in developments that have sixty percent (60%) or more of the total household living in the development with incomes that exceed thirty percent (30%) of the area median income, the CPRHA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of "Local Preferences" in regards to the selection of applicants to meet the priorities of the policy.

## **Section 2: PHDEP Plan Goals and Budget**

### **A. PHDEP Plan Summary**

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The CPRHA strategy will continue with the “weed and seed” approach to eradicate illegal drugs in our developments. The specific objectives are: 1) to contract with the Drug Task Force to employ officers to investigate specific situations identified by CPRHA staff and/or resident information; 2) to provide program coordination through twenty four separate entities and 3) to provide Reactive Drug Prevention services through a Youth and Family Services Program consisting of Academic assistance, drug awareness, career awareness efforts, summer youth programs and a computer lab.

Our goal for this component is to increase our enrollment in the program and to increase the number of teens/young adults to gain GED certification. Our 5-year objectives are: 1999 two people, 2000 three people, 2001 four people, 2002 5 people, 2003 six people.

Our goal for the utilization of off-duty Drug Task Force Officers as investigators is to generate at least two sizable “bust” each year.

Evaluation criteria and financial administration will be the responsibility of the Grants Coordinator and the Cumberland Plateau Regional Housing Authority Administrative staff. In an effort to receive an objective evaluation report, the Housing Authority has received a commitment from Russell County Public Schools’ Drug Education Coordinator and Secondary Supervisor C. Michael Puckett to perform a formal evaluation of the Authority’s PHDEP activities. Mr. Puckett will utilize the Authority’s data obtained from the surveys, the t-tests, and meeting documentation.

### **Progress in meeting the 5-Year Plan Mission and Goals**

The CPRHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of FY 99/00 Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2001 application will continue that effort.

CPRHA has implemented local preferences to improve the living environment by deconcentration, promoting income mixing, and improving security throughout our developments.

In addition, we have recently renewed our designated housing plan for another two years.

The CPRHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities.

We are confident that the CPRHA will be able to continue to meet and accommodate all our goals and objectives for FY 2001.
