### **C. Strategy for Addressing Needs**

The Housing Needs Section of our Consolidated Plan shows there is a need for additional affordable housing resources in our community. However, the Housing Authority is extremely concerned that our waiting lists for housing continue to decrease. We have increased our marketing strategies in an effort to make persons residing in our community more aware of the availability of the housing we provide..

**DECONCENTRATION  
AND  
INCOME MIXING POLICY**

Housing Authority of the City of La Crosse will analyze their public housing stock and tenant incomes so that deconcentration of poverty and income mixing will be encouraged. To effectively accomplish this policy, the Housing Authority will:

1. determine and compare the relative tenant incomes of each development and the incomes of census tracts in which the developments are located, and
2. consider what policies, measures or incentives are necessary to bring higher income families into lower income developments (or, if appropriate to achieve the deconcentration of poverty, into developments in lower income census tracts) and lower income families into higher-income projects (or if appropriate to achieve the deconcentration of poverty, into developments in higher income census tracts).

For the purpose of achievement of this policy, and if the waiting list allows, the LHA may:

1. Skip over families on waiting lists based on incomes.
2. Establish worker preference.
3. Provide additional supportive services and amenities.
4. Appropriate affirmative marketing efforts.
5. Additional applicant consultation and information.
6. Rent incentives as authorized by the Quality Housing Work Responsibility Act.

This policy becomes part of the LHA's Admission Policy as a requirement under the Quality Housing Work Responsibility Act.

**COMMUNITY SERVICE REQUIREMENT FOR PUBLIC HOUSING**

**SERVICE REQUIREMENT:** The obligation of each adult resident, other than an exempt individual, to perform community service in accordance with 24CFR 960.603.

Beginning October 1, 2000, each adult resident, other than an exempt individual, of public housing must perform 8 hours of service per month. This service may be done directly through this HA or with any other approved community agency which provides voluntary work or duties that are a public benefit, or increase a residents self-responsibility in the community. Community service may not include participation in political activities.

**EXEMPT INDIVIDUALS:** An exempt individual is an adult who:

- (1) Is 62 years or older;
- (2) Is a blind or disabled individual, who certifies that because of this disability she or he is unable to comply with the service provisions as noted; or is the primary caretaker of such an individual;
- (3) Is engaged in work activities;
- (4) Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State, including a State-administered welfare-to-work program;
- (5) Is a member of a family receiving assistance, benefits or services under a State program funded under part A of title IV of the Social Security Act or any other welfare program of the State, including a State administered welfare-to-work program.

**ADMINISTERING THE SERVICE REQUIREMENT:** The HA will notify families of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The HA will give all adult family members, other than exempt individuals, a written description of the service requirement, and of the process for claiming status as an exempt person. The HA will furthermore provide a listing of approved agencies for the family member to complete their service requirement with.

**MONITORING RESIDENT COMPLIANCE:** The HA will review family compliance with service requirements at each families annual reevaluation. If qualifying activities are administered by an organization other than the HA, the family member must provide signed certification to the HA from the approved agency that the family member has performed such qualifying activities.

If the HA determines that there is a family member who has not complied with the service requirement, the HA will promptly notify the individual of their non-compliance. This notice will describe the non-compliance and will state that the HA will not renew the lease at the end of the next twelve month lease term unless the family enters into a written agreement with the HA to become compliant. To become compliant, the family member must complete the additional hours of community service needed to make up the total number of hours required over the twelve month term of the new lease. At the next annual reevaluation, if a family member remains in non-compliance, the HA will not renew the lease for another term.

**IMPLEMENTATION OF PET POLICY REVISION**

The Housing Authority of the City of La Crosse has revised its Pet Policy and Pet Authorization Form in conformance with Section 526 of the Quality Housing and Work Responsibility Act of 1998. Residents of all public housing properties owned and managed by the LHA were notified of their right to pet ownership. A copy of the Pet Policy, adopted by the Board of Commissioners, may be obtained at the Administrative Office.

## ATTACHMENT E

### STATEMENT OF PROGRESS IN MEETING THE 5-YEAR MISSION AND GOALS

**GOAL:** Increase the availability of decent, safe and affordable housing.

The LHA's current waiting list indicates a decrease in the number of persons seeking public housing; therefore, our objective is not to expand the supply of assisted housing.

**GOAL:** Improve the quality of assisted housing.

It was our intent to improve our PHAS score. However, our advisory score dropped our designation from a high performing housing authority to a standard housing authority. The Housing Authority of the City of La Crosse strongly objects to the manner in which the scoring is conducted. It is our hope that the Department of Housing and Urban Development will make improvement on this process. We continue to modernize our public housing units using comprehensive grant funds/capital funds. Our goal is to have our entire stock modernized within the next five to ten years. Our goal to satisfy the customer we feel is being met by modernizing their facilities and providing increased resident services. Additional staff have been hired for this purpose.

**GOAL:** Increase assisted housing choices.

During the past year we have conducted outreach efforts to potential voucher landlords. The LHA has joined the Wisconsin Apartment Association as well as been visible in the community. Our visibility in the community is through advertising, circulating of brochures and presentation of our program at various functions.

**GOAL:** Provide an improved living environment.

The LHA received announcement of approval of the PHDEP monies and has designated those monies to the installation of physical security improvements at all developments. These improvements will be made in 2001. We continue to contract with the Boys and Girls Club of La Crosse to provide education in the awareness of drugs and other safety issues. The La Crosse Police Department continues to meet with all residents on a yearly basis to discuss safety and security.

**GOAL:** Promote self-sufficiency and asset development of families and individuals.

The LHA notes decrease in the number of residents paying "zero" rent. I believe this is due in fact to their awareness of the Community Service Requirement. Fortunately, in La Crosse, the job market has been somewhat attractive. We also work with local agencies to make them aware of the needs of our elderly and disabled living in our facilities. Without their services, many of our residents would not be able to live independently and we would more than likely have a vacancy problem.

**GOAL:** Ensure Equal Opportunity in Housing for all Americans.

The LHA became a member of the La Crosse Fair Housing Partnership and participated in a one day awareness fair.

**ATTACHMENT F**

**RESIDENT MEMBERSHIP ON THE BOARD**

Currently the Housing Authority of the City of La Crosse does not have a resident serving on the Board of Commissioners. An election process has been put into place. Letters have been sent to Resident Organizations informing them of the requirement to have a resident serve on the Board. We are currently waiting to receive a list of interested persons. Once received, we will continue with the process so that this requirement can be met in a timely fashion. It is the intent of this Housing Authority to meet this requirement in year 2001.

The Housing Authority of the City of La Crosse will continue to work toward the creation of innovative approaches to solve the problems of drug and criminal related activities in and around our developments. The first aspect is to improve the safety and security of residents by contracting with the La Crosse Police Department to place a Community Officer at our developments. The second aspect is drug prevention. Often times individuals receive their “highs” through drugs. The LHA’s goal is to teach individuals new ways to receive their “highs” through leisure and recreation opportunities.
