C. Strategy for Addressing Needs

The Authority strives to improve its screening procedures to select more successful tenants and to minimize turnover and vacant time between tenants. The Authority also implements extensive outreach to local minority groups, particularly nearby Native American tribes, to assure equal opportunity to minority households.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- X Employ effective maintenance and management policies to minimize the number of public housing units off-line.
 The AHA strives to maintain all properties in good condition and anticipates extensive modernization efforts over the next five years.
- X Reduce turnover time for vacated public housing units
- X Reduce time to renovate public housing units

- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- X Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- X Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- X Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- X Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- X Other: (list below)
Many of our current units are designated for elderly occupancy. We intend to focus additional services, most notably modernization efforts, on these units.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- X Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- X Affirmatively market to local non-profit agencies that assist families with disabilities. The AHA works closely with local service providers. The director of the local Health Care Center, which provides services to the disabled, is on the HA board of commissioners.
- Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- X Affirmatively market to races/ethnicities shown to have disproportionate housing needs. Historically, Langlade County has had a very low minority population. However, the AHA markets its units to nearby Native American tribes in adjoining counties and most recently to a growing Hispanic community in this area.
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- X Other: (list below)
Langlade County has no concentrations of poverty or minority persons.
(Local Native American tribes are outside the county boundaries.)

PROGRESS ON MEETING THE FIVE YEAR PLAN GOAL AND MISSION

The Antigo Housing Authority has continued to strive for excellence in providing safe, decent and affordable housing for the residents of our community.

In the year 2000, we initiated a modernization project that provided new cupboards and countertops in the public housing units and community kitchen facility. This modernization project will continue into the year 2001 as we push toward our goals in an effort to improve the quality of assisted housing for our residents by updating bathroom vanities and lighting in the housing units and common areas, and installing tile in our community kitchen. Our goal will be to continue to make structural and other site improvements to our public housing development in order to keep it viable for long-term future occupancy.
